The appropriation provided for the natural resources information services program is contingent upon funds being used to achieve program performance targets as outlined by the legislature in the general appropriations act for the 1999 biennium. The department shall provide semiannual reports to the office of budget and program planning and the legislative fiscal division on progress toward achievement of these performance targets, with explanations for any significant variances.

Goal: The natural resources information system (NRIS) works to ensure equitable access to natural resource information for all of Montana's citizens, governments, businesses, and industries by using new and emerging information technologies. Specifically, NRIS personnel will work to improve access to natural resource information by developing state-of-the-art tools to make information easier to use and will work to increase the value of existing natural resource information by facilitating and participating in collaborative information-sharing projects. Objectives of the NRIS are as follows:

Objective 1: Operate the Montana natural heritage program (MTNHP), an inventory of Montana's biological resources that emphasizes rare or endangered plant and animal species and biological communities.

Performance Measure/Target:

Provide timely and effective service to requests for information on Montana's natural heritage. The MTNHP will complete 1,500 requests for information each year through direct contacts, self-service, and distributed technology means.

| FY 96 | FY 97 Target | FY 98 Target |
|---|---|---|
| 1,407 | 1,500 | 1,500 |

Performance Measure/Target:

Continue development and maintenance of the biological and conservation data system* and annually update at least 25% of the records in the four primary data bases, thereby ensuring that the most current and accurate data is provided to requestors. (* - ca. 30 data bases, 2,000 fields, 25,000 to 27,000 records)

| FY 96 | FY 97 Target | FY 98 Target |
|---|---|---|
| 6,010 | 6,500 | 6,500 |

Objective 2: Operate the Montana water information system (WIS) and the NRIS geographic information systems (GIS). The WIS is the starting point for locating water resources information in Montana, such as data on surface water, ground water, water quality, riparian areas, water rights, climate data, etc. The GIS provides technical and data acquisition assistance for statewide GIS projects and to agencies developing in-house GIS capability. The NRIS inventories available GIS data and coordinates GIS data standards and the sharing of this information throughout the state.

Performance Measure/Target:

Provide timely and effective response to requests for information and services related to Montana's natural resources. The NRIS will fill 1,821 requests for natural resource information and services each year through direct contacts, self-service, and distributed technology means.

Performance Measure/Target:

The NRIS will improve delivery of natural resource information by providing at least 60 data bases accessible via the internet. Additionally, the NRIS will further improve delivery by creating tools to allow users to retrieve the data as well as use the data online to create information products.

Item 1 is a biennial lump-sum appropriation.

The money and FTE for the school-to-work program in item 1 are contingent on continued federal funding.

Included in state special revenue appropriations in item 1 is $16,499,000 in fiscal year 1998 and $16,800,000 in fiscal year 1999 from revenue generated under the provisions of 20-25-423. Revenue received by the university system under the provisions of 20-25-423 that exceeds $16,499,000 in fiscal year 1998 and $16,800,000 in fiscal year 1999 is appropriated to the board of regents, to a maximum of $35,299,000 for the biennium. If revenue received under the provisions of 20-25-423 is less than $16,499,000 in fiscal year 1998 and $16,800,000 in fiscal year 1999, it is the intent of the legislature that the commissioner of higher education reduce the university system expenditures by corresponding amounts.

Item 1 includes $338,920 in each year of the biennium that must be transferred to the energy conservation program account and used to retire the general obligation bonds sold to fund energy improvement through the state building energy conservation program. The costs of this transfer in each year of the biennium are: university of Montana-Missoula, $181,660; Montana state university-northern, $97,000; Montana state university-Billings, $56,000; and western Montana college of the university of Montana, $4,260.

Total audit costs are estimated to be $581,652 for the university system for the biennium. Each unit shall pay a percentage of these costs from funds other than those appropriated in item 1a.

University system units are defined in 17-7-102(17). For all university system units, except the office of the commissioner of higher education, all funds (other than plant funds appropriated in [long-range planning bill] relating to long-range building and current unrestricted operating funds) are appropriated contingent on approval of the comprehensive program budget by the board of regents by October 1 of each year. For all university system units except the community colleges, the agricultural experiment station, the forest and conservation experiment station, the cooperative extension service, the bureau of mines and geology, the fire services training school, and the distance learning and rural physician residency programs, all funds, other than funds appropriated in [long-range planning bill] for long-range building programs, are appropriated as a lump sum for the biennium contingent upon approval of the comprehensive program budget by the board of regents by October 1 of each year. The board of regents shall allocate the appropriations to the individual units according to board policy. The budget must contain detailed revenue and expenditures and anticipated fund balances of current funds, loan funds, endowment funds, and plant funds. After the board of regents approves operating budgets, transfers between units may be made only with the approval of the board of regents. Requests for transfer and related justification must be submitted to the office of budget and program planning and to the legislative fiscal analyst prior to approval by the board of regents. All movement of funds between the current unrestricted subfund and the designated subfund accounts must be clearly identified in the state budgeting and accounting system.

All university system units, except the office of the commissioner of higher education, shall account for exponditures consistently within programs and funds across all units and shall use the national center for higher education management systems program classifications structure, along with the college and university business administration (CUBA) system, as a minimum standard for achieving consistency.

The Montana university system, except the office of the commissioner of higher education and the community colleges, shall provide electronically to the office of budget and program planning and to the legislative fiscal analyst: (1) at fiscal yearend, the actual personal services data, which must tie to the actual expenditures as recorded on SBAS; and (2) by November 1 and at fiscal yearend, the budgeted personal services data, which must tie to the operating plan for expenditure of funds appropriated in [this act] and in the pay plan as approved by the board of regents. The personal services data described in subsections (1) and (2) must include but is not limited to the following for each position number: program number, responsibility center,

budgeted and actual salary and benefits, fund type, FTE position title and position type, longevity dates and increments, years of service, benefit factors, workers' compensation code, final ending hourly salary (actuals only), class code, and allocation percentage.

The distance learning appropriation of $60,000 in item 2 is for payment to the western governors' association for development of a virtual university.

The general fund appropriation in item 1 includes $929,300 from a reduction in GABA, $398,700 resulting from legislative action on House Bill No. 561, and $672,000 from the ending fund balance.

The general fund appropriation for the community colleges is the state share, which is 51% of the budget amount per full-time equivalent student, as determined by the legislature for the community colleges in fiscal year 1998 and fiscal year 1999. The total unrestricted budgets for the community colleges must be approved by the board of regents.

Total audit costs are estimated to be $64,000 for the community colleges for the biennium. The general fund appropriation for each community college provides 51% of the total audit cost. The remaining 49% of these costs must be paid from funds other than those appropriated in item 3a. Audit costs for the biennium may not exceed $20,000 each for Dawson and Miles community colleges and $24,000 for Flathead Valley community college.

Total Summitnet costs are estimated to be $25,000 each year for the community colleges. The general fund appropriation for the community colleges provides 51% of the total Summitnet costs. The remaining 49% of these costs must be paid from funds other than those appropriated in item 3b. Summitnet costs for each year may not exceed $8,000 each for Dawson and Miles community colleges and $9,000 for Flathead Valley community college.

It is the intent of the legislature that, if Senate Bill No. 21 is passed and approved, the joint committee on postsecondary education policy and budget consider as one of its top study priorities the restructuring and reform within or among the agricultural experiment station, the Montana extension service, the fire services training school, the bureau of mines and geology, and the forestry and conservation experiment station.

The appropriation in item 10 is state special revenue from interest and income repaid from investments administered by the board of science and technology development in research and development projects at Montana public universities. This appropriation is contingent upon passage and approval of House Bill No. 578.

1. State Motor Pool (06)

Actual lease/rental rates, normally defined as the rate charged per mile of vehicle usage, could not be precisely calculated hy the department due to various factors, including an unanticipated increase in vehicle purchase costs and undetermined costs associated with an intornal loan through the board of investments to finance an expanded vehicle fleet. As such, the legislature defined rates as the following:

"The stato motor pool may charge rates necessary to estahlish and maintain a 60-day working capital reserve te oporate the program."

2. Equipment Program (06)

The equipment program's rate structure includes both assigned time rates and usage rates for 121 classes of equipment used by the maintenance and construction programs within the department. Due to the enterprise-like nature of this program's operations and the large number of individual rates, the legislature defines rates as the following:

"The equipment program may charge rates necessary to establish and maintain a 60-day working capital reserve to operate the program."

4. Information Services Division

The rates for the services provided by the information services division (ISD) approved by the legislature are the fiscal year 1996 rates adjusted by the following percentages:

| | | |
|---|---|---|
| a. Microfilm Service (COM) | 5% | 5% |
| b. Computer Processing Services | -33% | -46% |

| g. Video Conferences | 0% | 0% |
| h. Telephone Equipment | -27% | -27% |
| i. Long Distance Charge | -10% | -10% |

5. Because certain programs or functions are enterprise-like in nature, must maintain a business approach in their operations, and may have large numbers of individual rates for the various products sold or services previded, for the following programs or functions, the legislature defines "rates and fees" to mean a specific working capital reserve balance.

| Program | Amount of Reserve |
|---|---|
| Publications & Graphics | 60-day working capital reserve |
| Central Stores | 60-day working capital reserve |
| Natural Gas Procurement | break-even (no reserve) |
| Statewide Fueling Network | 60-day working capital reserve |
| Surplus Property Program | 60-day working capital reserve |
| Mail Program | 60-day working capital reserve |

6. Because the per-unit costs of the services that certain programs and functions provide to agencies of state government are likely to fluctuate or are otherwise more difficult to estimate than are the total costs of the services to be provided, for the following programs and functions, the legislature defines "rates and fees" to mean the total dollar amount allocated to agencies of state government in the fixed cost or other portion of the agency budget. The following shows the total amount allocated. The allocation to each agency is as included in the agency budgets appropriated in the general appropriation act or in the rate determination for those programs or functions funded with proprietary funds. The allocation for the legal services unit is included exclusively in the Department of Administration.

| Program or Function | Total Amount Allocated in Agency Budgets | |
|---|---|---|
| Legal Services Unit | Fiscal Year 1998: $106,601<br>Fiscal Year 1999: $109,800 | |
| Deadhead Mail | Fiscal Year 1998: $157,157;<br>Fiscal Year 1999: $157,157 | |
| Payroll | Fiscal Year 1998: $595,182;<br>Fiscal Year 1999: $987,107 | |
| Risk Management | | |
| a. General Liability | $3,652,229 | $3,834,842 |
| b. Auto Liability | 1,185,160 | 1,244,419 |
| c. Property | 1,104,121 | 1,104,121 |

| | | |
|---|---|---|
| d. Airport/Aircraft | 126,254 | 126,254 |
| e. All Other Lines | 171,118 | 173,922 |

7. Because state employee benefit plans require a large number of individual premiums for a variety of benefit options, because the portion of these premiums paid by the state is statutorily established in 2-18-703, and because the employee-paid portion of these premiums must be adjusted from time to time to meet the requirements of 2-18-812(1) to maintain state employee group benefit plans on an actuarially sound basis, the legislature defines "rates and fees" for state employee benefit programs to mean the state contribution toward employee group benefits defined in 2-18-703 and the employee contribution toward employee group benefits necessary to meet the requirements of 2-18-812(1).

STATEMENT OF INTENT

A statement of intent is required for this bill because [section 2] grants the department of public health and human services authority to adopt rules to implement [sections 1 through 15]. The rules should address routine procedural and operational matters and supplementary information necessary for the efficient and effective operation of the child support information and processing unit. The department should weigh the need for the information against the personal intrusiveness of the requested information and the difficulty of obtaining the information and should adopt rules that minimize the personal intrusiveness of the requested information and that minimize the costs to the department, employers, and employees in response to any difficulties in obtaining the information.

*Be it enacted by the Legislature of the State of Montana:*

**Section 1. Definitions.** As used in [sections 1 through 11], unless the context requires otherwise, the following definitions apply:

[(1) "Date of hire" means the first day that an employee starts work for which the employee is owed compensation by the payor of income.]

(2) "Department" means the department of public health and human services provided for in 2-15-2201.

[(3) (a) "Employee" means a person 18 years of age or older who performs labor in this state for an employer in this state for compensation and for whom the employer withholds federal or state tax liabilities from the employee's compensation.

(b) The term does not include an employee of a federal or state agency performing intelligence or counterintelligence functions if the head of the agency has determined that reporting pursuant to [section 9] with respect to the employee could endanger the safety of the employee or compromise an ongoing investigation or intelligence mission.]

(4) "Employer" means a person, firm, corporation, association, governmental entity, or labor organization that engages an employee for compensation and withholds federal or state tax liabilities from the employee's compensation.

(5) "Foreign support order" means a support order entered or last modified by a court or administrative agency of another state, the District of Columbia, the Commonwealth of Puerto Rico, a territory or insular possession subject to the jurisdiction of the United States, an Indian tribe, or a foreign jurisdiction.

(6) "Income withholding" generally means procedures for directing a payor to withhold from an obligor's income an amount sufficient to pay the obligor's support obligation and to defray arrears that are or may become due. Specifically:

HeinOnline -- 1997 vol. III 3419 1997

(a) when preceded by "IV-D", income withholding means the procedures set out in Title 40, chapter 5, part 4; and

(b) when preceded by "non IV-D", income withholding means those cases in which an immediate income-withholding order is issued under 40-5-315 after January 1, 1994.

(7) "Interstate case" means a case referred to the department by, or from the department to, another IV-D agency.

[(8) "Labor organization" means a labor union, union local, union affiliate, or union hiring hall.]

(9) "Obligee" means the payee under a support order or a person or agency entitled to receive support payments.

(10) "Obliger" means a person who is obligated to pay support under a support order.

(11) "Payor" means:

(b) when used in context with income withholding, means a person, firm, corporation, association, employer, trustee, political subdivision, state agency, or agent paying income to an obliger on a periodic basis.

[(12) "Rehire" means the first day, following a termination of employment, that an employee begins to again perform work or provide services for a payor. Termination of employment does not include temporary separations from employment, such as unpaid medical leave, an unpaid leave of absence, or a temporary or seasonal layoff.]

(13) "Support order" means a judgment, decree, or order, whether temporary or final, that:

(a) is for the benefit of a child or a state agency;

(b) provides for monetary support, health care, arrearages, or reimbursement;

(c) may include related costs and fees, interest, and similar other relief; and

(d) may include an order for maintenance to be paid to a former spouse when the former spouse is the custodial parent of a child for whom child support is awarded.

(14) "IV-D" or "IV-D case" means a case in which the department is providing services under the provisions of Title IV-D of the Social Security Act and the regulations promulgated under that act. A IV-D case also includes a case in which the department is collecting a support debt assigned to this or another state under Title IV-D.

**Section 2. Child support information and processing unit.** (1) The department shall establish and maintain a centralized child support case registry and payment processing unit. The purpose of this unit is to facilitate mass case processing by utilizing computer technology to identify parents and their income

and to initiate automated procedures to collect child support as it becomes due and payable.

(2) The case registry must include a data base of information concerning child support orders, all cases receiving IV-D services, and all district court and administrative cases with support orders entered or modified after October 1, 1998.

(3) The case registry must use automated systems to obtain information from federal, state, and local data bases with regard to the location of obligors and their income and assets. This information must be shared with the courts of this state and, upon request, may be shared with child support enforcement agencies of this and other states for the purpose of establishing paternity and establishing and enforcing child support obligations.

(4) To assist creditors, credit managers, and others who need timely verification of the existence of child support liens in IV-D cases, the case registry must include a directory of liens, which must include liens against an obligor's real and personal property filed by the department with other agencies and lien registries. Information in the lien registry may be made available through automated systems, which may include voice response units.

(5) Each IV-D case with a child support order must be electronically monitored so that when a timely payment of support is not made, enforcement action may be taken. To accomplish this purpose, payments due under a child support order must be paid to the department for processing and disbursement.

(6) In either a IV-D income-withholding case in this state or a state non IV-D case, if immediate income withholding is authorized after January 1, 1994, an employer or other payor of income shall pay all support withheld from an obligor's income to one centralized location as specified by the department.

(7) To facilitate automated disbursement of support payments, automated enforcement actions, and service of notice when required, an obligor or obligee must be directed to provide, and update as necessary, information sufficient to locate the obligor and obligee and to locate the obligor's income and assets.

[(8) An employer or labor organization shall report a newly hired or rehired employee. Information reported by an employer must be electronically compared to the information data base to align an obligor who owes a duty of support with a source of income. When a match is revealed in a IV-D case, a notice will, if appropriate to the case, be promptly transmitted to the employer directing the employer to commence withholding for the payment of the obligor's support obligation.]

(9) The department may enter into contracts or cooperative agreements with any porson, business, firm, corporation, or state agency to establish, operate, or maintain the case registry and payment processing unit or any function or service afforded by the unit, provided that:

(a) the department is ultimately responsible for operation of the case registry and payment processing unit, including any function or service afforded by the unit;

HeinOnline -- 1997 vol. III 3421 1997

(b) there is a board to act in an advisory capacity to the case registry and processing unit. The board shall advise the department in the policy, direction, control, and management of the case registry and processing unit and in determining forms, data processing needs, terms of contracts and cooperative agreements, and other similar technical requirements. Board members who are not employed by the department shall serve without pay, but are entitled to reimbursement for travel, meals, and lodging while engaged in board business, as provided in 2-18-501 through 2-18-503. Except for members who represent the department, appointed board members shall serve for a term of 2 years. The board consists of five members as follows:

(i) a district court judge nominated by the district court judges' association;

(ii) a clerk of court nominated by the association of clerks of the district courts;

(iii) the supreme court administrator or designee;

(iv) two members, appointed by the department director, one from the child support enforcement division and one from the operations and tecbnology division; and

(v) a representative of a county data processing unit, nominated by the association of clerks of the district courts; and

(c) the costs charged to the department under tbe contract or cooperative agreement may not exceed the actual costs that the department would have incurred without the contract or cooperative agreement.

(10) The department may adopt rules to implement [sections 1 through 15]. Rules must be drafted, adopted, and applied in a manner tbat:

(a) minimizes the personal intrusiveness on the employer or employee of any requested information;

(b) minimizes the costs to the department and any employer or employee with respect to obtaining and submitting any requested information; and

(c) maximizes the confidentiality and security of any employer or employee information that tbe department gathers under [sections 1 through 15].

**Section 3. Case registry — abstracts — information required — mandatory updating.** (1) There must be registered in the case registry an abstract of:

(a) each case, including interstate cases, receiving IV-D services provided by the department;

(b) each support order entered and each modification of an existing support order made in this state after October 1, 1998; and

**Section 25.** Section 40-4-204, MCA, is amended to read:

**"40-4-204. Child support — orders to address health insurance — withholding of child support.** (1) In a proceeding for dissolution of marriage, legal separation, maintenance, or child support, the court shall order either or both parents owing a duty of support to a child to pay an amount reasonable or necessary for the child's support, without regard to marital misconduct.

(2) The court shall consider all relevant factors, including:

(a) the financial resources of the child;

(b) the financial resources of the custodial parent;

(c) the standard of living that the child would have enjoyed had the marriage not been dissolved;

(d) the physical and emotional condition of the child and the child's educational and medical needs;

(e) the financial resources and needs of the noncustodial parent;

(f) the age of the child;

(g) the cost of day care for the child;

(h) any custody arrangement that is ordered or decided upon; and

(i) the needs of any person, other than the child, whom either parent is legally obligated to support.

(3) (a) Whenever a court issues or modifies an order concerning child support, the court shall determine the child support obligation by applying the standards in this section and the uniform child support guidelines adopted by the department of public health and human services pursuant to 40-5-209. The guidelines must be used in all cases, including cases in which the order is entered upon the default of a party and those in which the parties have entered into an agreement regarding the support amount. A verified representation of the defaulting parent's income, based on the best information available, may be used when a parent fails to provide financial information for use in applying the

HeinOnline -- 1997 vol. III 3439 1997

guidelines. The amount determined under the guidelines is presumed to be an adequate and reasonable support award, unless the court finds by clear and convincing evidence that the application of the standards and guidelines is unjust to the child or to any of the parties or is inappropriate in that particular case.

(b) If the court finds that the guideline amount is unjust or inappropriate in a particular case, it shall state its reasons for that finding. Similar reasons must also be stated in a case in which the parties have agreed to a support amount that varies from the guideline amount. Findings that rebut and vary the guideline amount must include a statement of the amount of support that would have ordinarily been ordered under the guidelines.

(c) If the court does not order a parent owing a duty of support to a child to pay any amount for the child's support, the court shall state its reasons for not ordering child support.

*(d) Child support obligations established under this section are subject to the registration and processing provisions of [sections 1 through 11].*

(4) Each temporary or final district court judgment, decree, or order establishing a child support obligation under this title and each modification of a final order for child support must include a medical support order as provided for in Title 40, chapter 5, part 8.

(5) (a) Unless the court makes a written exception under 40-5-315 or 40-5-411 and the exception is included in the support order, a support obligation established by judgment, decree, or order under this section, whether temporary or final, and each modification of an existing support obligation under 40-4-208 must be enforced by immediate or delinquency income withholding, or both, under Title 40, chapter 5, part 3 or 4. A support order that omits the written exceptions provided in 40-5-315 or 40-5-411 or that provides for a payment arrangement inconsistent with this section is nevertheless subject to withholding for the payment of support without need for an amendment to the support order or for any further action by the court.

(b) If an obligor is exempt from immediate income withholding, the district court judgment or order must include a warning statement that if the obligor is delinquent in the payment of support, the obliger's income may be subject to income withholding procedures under Title 40, chapter 5, part 3 or 4. Failure to include a warning statement in a judgment or order does not preclude the use of withholding procedures.

(c) If a support order subject to income withholding is expressed in terms of a monthly obligation, the order may be annualized and withheld on a weekly or biweekly basis, corresponding to the obligor's regular pay poriod. When an order is annualized and withheld on a weekly or biweekly basis under this section, the support withheld from the obliger may be retained by the obligee when it exceeds the obligor's monthly support obligation if the excess support is a result of annualized withholding.

*(d) If an obligor is exempted from paying support through income withholding, the support order must include a requirement that whenever the case is receiving services under Title IV-D of the Social Security Act, support payments must be*

*paid through the department of public health and human services as provided in [section 5].*

(6) *(a)* ~~For the purposes of income withholding under subsection (5), each~~ *Each* district court judgment, decree, or order that *establishes paternity or* establishes or modifies a child support obligation must include a provision requiring the ~~parent obligated to pay support to inform~~ *parties to promptly file with* the court and~~, if the department of public health and human services is providing services under Title IV-D of the Social Security Act for the enforcement of the judgment, decree, or order, the department, of the following~~ *to update, as necessary, information on*:

~~(a)~~*(ii)* the name, ~~and~~ address, *and telephone number* of the ~~parent's current~~ *party's* employer; *and*

~~(b) whether the parent has access to health insurance through an employer or other group; and~~

~~(c) if insurance coverage is available, the health insurance policy information.~~

*(iii) if the child is covered by a health or medical insurance plan, the name of the insurance carrier or health benefit plan, the policy identification number, the names of the persons covered, and any other pertinent information regarding coverage or, if the child is not covered, information as to the availability of coverage for the child through the party's employer.*

*(b) The court shall keep the information provided under subsection (6)(a) confidential except that the information may be provided to the department of public health and human services for use in administering Title IV-D of the Social Security Act.*

*(c) The order must also require that in any subsequent child support enforcement action, upon sufficient showing that diligent effort has been made to ascertain the location of the party, the district court or the department of public health and human services, if the department is providing services under Title IV-D of the Social Security Act, may consider due process requirements for notice and service of process met with respect to the party upon delivery of written notice by regular mail to the most recent address of the party or the party's employer's address reported to the court.*

(7) Each district court judgment, decree, or order establishing a final child support obligation under this part and each modification of a final order for child support must contain a statement that the order is subject to review and modification by the department of public health and human services upon the request of the department or a party under 40-5-271 through 40-5-273 when the department is providing services under Title IV-D of the Social Security Act for the enforcement of the order.

(8) (a) A district court judgment, decree, or order that establishes or modifies a child support obligation must include a provision requiring the child support *obligation* to be paid, *without need for further order of the court,* to:

HeinOnline -- 1997 vol. III 3441 1997

(i) the legal custodian of the minor child;

(ii) ~~(A) any other~~ *to a* person, organization, or agency ~~having legal~~ *to which the legal custodian voluntarily or involuntarily relinquished* physical custody of the ~~minor~~ child ~~under a legal assignment of rights~~; or

~~(B) the court for the benefit of the minor child;~~

(iii) any other person, *organization,* or agency ~~designated as caretaker of the minor child by agreement of the legal custodian~~ *entitled by law, assignment, or similar reason to receive or collect the child support obligation*~~; or~~

~~(iv) any assignee or other person, organization, or agency authorized to receive or collect child support~~.

*(b) When the department of public health and human services is providing services under Title IV-D of the Social Security Act, payment of support must be made through the department for distribution to the person, organization, or agency entitled to the payment.*

~~(b)~~*(c)* A judgment, decree, or order that omits the provision required by subsection (8)(a) is subject to the requirements of subsection (8)(a) without need for an amendment to the judgment, decree, or order or for any further action by the court.

*(9) A judgment, decree, or order that establishes or modifies a child support obligation must include a provision that if a parent or guardian is the obligee under a child support order and is obligated to pay a contribution for the same child under 41-3-406, 41-5-403, or 41-5-523, the parent or guardian assigns and transfers to the department of public health and human services all rights that the parent or guardian may have to child support that are not otherwise assigned under 53-2-613."*

**Section 26.** Section 40-4-206, MCA, is amended to read:

**"40-4-206. Payment of maintenance or support to court — handling fee of clerk.** (1) ~~Upon~~ *Except as provided in subsection (4), upon* its own motion or upon motion of either party, the court may order at any time that maintenance or support payments be made to the clerk of the district court as trustee for remittance to the person entitled to receive the payments.

(2) The clerk of the district court shall maintain records *of payments received by the clerk* listing the amount of payments, the date payments are required to be made, and the names and addresses of the parties affected by the order. The clerk may charge the payor a handling fee of $2 a payment, which must be in addition to the payment. Any handling fee collected by the clerk under this subsection must be paid into the county general fund unless the county bas a district court fund. If the county has a district court fund, the amount must be paid into ~~such~~ *that* fund.

(3) The parties affected by the order shall inform the clerk of the district court of any change of address or of other condition that may affect the administration of the order.

*(4) When the department of public health and human services is providing services under Title IV-D of the Social Security Act or when income withholding*

If the final order is retroactive, any amount paid for a particular period under the temporary support order must be credited against the amounts due under the final order for the same period, but excess amounts may not be refunded. If an order of nonpaternity is issued or if the final support order states that periodic support obligation is not proper, the obligee shall*

(5) (a) If a temporary support order is entered or if proceedings are commenced under this section for a married obligor, the department shall vacate any support order or dismiss any proceeding under this part if it finds that the parties to the marriage have:

(i) reconciled without tbe marriage having been dissolved;

(ii) made joint application to the department to vacate the order or dismiss the proceeding; and

(iii) provided proof that the marriage has been resumed.

(b) The department may not vacate a support order or dismiss a proceeding under this subsection (5) if it determines that the rights of a third person or the child are affected. The department may issue a new notice *of temporary support obligation* under this section if the parties subsequently separate.

(6) ~~Any~~ *A* notice of financial responsibility and the notice of temporary support ohligation ~~must~~ *may* be served *by certified mail or* in the same manner prescribed for the service of a summons in civil action in accordance with the Montana Rules of Civil Procedure.

*(7) If prior to service of a notice under this section, the department has sufficient financial information, the department's allegation of the obligor's monthly support responsibility, whether temporary or final, must be based on the child support guidelines established under 40-5-214. If the information is unknown to the department, the allegations of the parent's or parents' monthly support responsibility must be based on the greater of:*

*(a) the maximum amount of public assistance that could be payable to the child under Title 53 if the child were otherwise eligible for assistance; or*

*(b) the child's actual need as alleged by the custodial parent, guardian, or caretaker of the child.*

*(8) (a) A party who objects to a notice of financial responsibility or notice of temporary support obligation may file a written request for hearing with the department:*

*(i) within 20 days from the date of service of a notice of financial responsibility; and*

*(ii) within 10 days from the date of service of a notice of temporary support obligation.*

*(b) If the department receives a timely request for a hearing, it shall conduct one under 40-5-226.*

*(c) If the department does not receive a timely request for a hearing, it shall order the parent or parents to pay child support and to provide for the child's medical needs as stated in the notice. The child support obligation must be the amount stated in the notice or determined in accordance with the child support guidelines adopted under 40-5-209.*

A temporary support obligation established under subsection (3) continues until terminated as provided in subsection (5) or until the temporary order is superseded by a final order, judgment, or decree."*

**Section 45.** Section 40-5-226, MCA, is amended to read:

**"40-5-226. Administrative hearing — nature — place — time — determinations — failure to appear — entry of final decision and order.** (1) The administrative hearing is defined as a "contested case".

(2) If a hearing is requested, it must ~~be scheduled within 20 days~~ *initially be by teleconference methods and is subject to the Montana Administrative Procedure Act. At the request of a party or upon a showing that the party's case was substantially prejudiced by the lack of an in-person hearing, the hearings officer shall grant a de novo in-person hearing.*

(3) The hearings officer shall determine the liability and responsibility, if any, of the ~~obligor~~ *parent or parents* under the notice and shall enter a final decision and order in accordance with the determination. The order may award support from the date of:

(a) the child's birth if paternity was established under 40-5-231 through 40-5-238 or under Title 40, chapter 6, part 1, subject to the limitation in 40-6-108(3)(b);

(b) the parties' separation if support is initially established under 40-5-225; or

(c) notice to the parties of a support modification request under 40-5-273.

(4) *(a)* ~~If~~ *Except as provided in subsection (4)(b), if* the ~~obligor fails~~ *parent or parents fail* to appear at the hearing or ~~fails~~ to timely *file a* request *for* a hearing, the hearings officer, upon a showing of valid service, shall enter a *default* decision and order declaring the amount stated in the notice to be final.

*(b) In a multiple party proceeding under 40-5-225, if one party files a timely request for hearing, the matter must be set for hearing. Notice of the hearing must be served on the parties. If a party refuses to appear for the hearing or participate in the proceedings, the hearing officer shall determine child support and medical support orders based on the notice, information available to the department, and evidence provided at the hearing by the appearing parties. A party's refusal to appear is a consent to entry of child and medical support orders consistent with the hearing officer's determination. However, the default order may not be for more than the support requested in the notice unless the hearings officer finds that the evidence requires a larger amount.*

(5) In a hearing to determine financial responsibility, whether temporary or final, and in any proceeding to modify support under 40-5-273, the monthly support responsibility must be determined in accordance with the evidence presented and with reference to the uniform child support guidelines adopted by the department under 40-5-209. The hearings officer is not limited to the

HeinOnline -- 1997 vol. III 3462 1997

amounts stated in the notice. The guidelines must be used in all cases, including cases in which the order is entered upon the default of a party and those in which the order is entered upon the parties' consent. A verified representation of a defaulting parent's income, based on the best information available, may he used when a parent fails to provide financial information for use in applying the guidelines. The amount determined under the guidelines is presumed to be an adequate and reasonable support award, unless the hearings officer finds by clear and convincing evidence that the application of the guidelines is unjust to the child or to any of the parties or is inappropriate in a particular case. If the hearings officer finds that the guideline amount is unjust or inappropriate in a particular case, the hearings officer shall state the reasons for finding that the application of the guidelines is unjust to the child or a party or is inappropriate in that particular case. Similar findings must also be made in a case in which the parties have agreed to a support amount that varies from the guideline amount. The hearings officer may vary the application of the guidelines to limit the obligor's liability for past support to the proportion of expenses already incurred that the hearings officer considers just. Findings that rebut and vary the guideline amount must include a statement of the amount of support that would have ordinarily been ordered under the guidelines.

*(6) In a hearing to enforce a support order or to establish paternity under this chapter, the department shall send a copy of the notice of hearing to the obligee by regular mail addressed to the obligee's last-known address. The obligee may attend and observe the hearing as a nonparty. This subsection does not limit participation of an obligee who is a party to the proceedings or who is called as a witness to testify.*

~~(6)~~*(7) (a)* ~~Within 20 days of the hearing, the~~ *Within 60 days after the hearing has been concluded, any post-hearing briefs are received, and all the evidence submitted, except for good cause, the* hearings officer shall enter a final decision and order. The determination of the hearings officer constitutes a final agency decision, subject to judicial review under 40-5-253 and the provisions of the Montana Administrative Procedure Act. *A copy of the final decision must be delivered or mailed to each party, each party's attorney, and the obligee if the obligee is not a party.*

*(b) A child support obligation established under this section is subject to the registration and processing provisions of [sections 1 through 11].*

~~(7)~~*(8)* A support order entered under this part must contain a statement that the order is subject to review and modification by the department upon the request of the department or a party under 40-5-271 through 40-5-273 when the department is providing services under IV-D for the enforcement of the order.

~~(8)~~*(9)* A support debt determined pursuant to this section is subject to collection action without further necessity of action by the hearings officer.

~~(9)~~*(10)* A *child* support ~~debt or a support responsibility~~ *obligation* determined under this part by reason of the obligor's failure to request a hearing under this part or failure to appear at a scheduled hearing may be vacated, upon the motion of an obligor, by the hearings officer within the time provided and upon a showing of any of the grounds enumerated in the Montana Rules of Civil Procedure. *When issuing a support order, the department shall consider whether any of the exceptions to immediate income withholding found at 40-5-411 apply, and, if an*

*exception is applicable, the department shall include the exception in the support order.*

~~(10)~~*(11) (a)* Unless the hearings officer makes a written exception under 40-5-315 or 40-5-411 and the exception is included in the support order, each order establishing a child support obligation, whether temporary or final, and each modification of an existing child support order under this part is enforceable by immediate or delinquency income withholding, or both, under Title 40, chapter 5, part 4. A support order that omits that provision or that provides for a payment arrangement inconsistent with this section is nevertheless subject to withholding for the payment of support without need for an amendment of the support order or for any further action by the hearings officer.

*(b) If an obligor is excepted from paying support through income withholding, the support order must include a requirement that whenever a party to the case is receiving IV-D services, support payments must be paid through the department as provided in [section 5].*

~~(11)~~*(12) (a)* ~~For the purposes of income withholding provided for in subsection (10), whenever~~ *If* the department establishes *paternity* or *establishes or* modifies a child support obligation, the department's order must include a provision requiring ~~the obligor, for as long as the department is providing support enforcement services, to keep the department informed of the name and address of the obligor's current employer, whether the obligor has access to health insurance through an employer or other group, and, if so, the health insurance policy information.~~ *each party other than the department to promptly file with the department and to update, as necessary, information on:*

*(i) identity of the party;*

*(iii) residential and mailing addresses;*

*(iv) telephone number;*

*(v) driver's license number;*

*(vi) name, address, and telephone number of employer; and*

*(vii) if the child is covered by a health or medical insurance plan, the name of the insurance carrier or health benefit plan, the policy identification number, the name of the persons covered, and any other pertinent information regarding coverage or, if the child is not covered, information as to the availability of coverage for the child through the obligor's and obligee's employer.*

*(b) The order must further direct that in a subsequent child support enforcement action, upon sufficient showing that diligent effort has been made to ascertain the location of the party, the department's due process requirements for notice and service of process are met with respect to the party upon delivery of written notice by regular mail to the most recent address of the party or the party's employer's address reported to the department.*

*(c) The department shall keep the information provided under subsection (12)(a) confidential except as necessary for purposes of Title IV-D of the Social Security Act.*

HeinOnline -- 1997 vol. III 3464 1997

~~(12)~~*(13)* The hearings officer may:

(a) compel obedience to the hearings officer's orders, judgments, and process and to ~~any~~ *subpoenas and* orders issued by the department, including income-withholding orders issued pursuant to 40-5-415;

(b) compel the attendance of witnesses at administrative hearings;

(c) compel obedience of subpoenas for paternity blood tests;

(e) punish for civil contempt. Contempt authority does not prevent the department from proceeding in accordance with the provisions of 2-4-104.

*(f) compel the production of information requested by the department or IV-D agency of another state under 40-5-443.*

~~(13)~~*(14)* A contempt occurs whenever:

(a) a person acts in disobedience of any lawful order, judgment, or process of the hearings officer or of the department;

(b) a person compelled by subpoena to appear and testify at an administrative hearing or to appear for genetic paternity tests fails to do so;

(c) a person compelled by subpoena duces tecum to produce evidence at an administrative hearing fails to do so;

(d) an obligor or obligee subject te a discovery order issued by the hearings officer fails to comply with discovery requests; ~~or~~

*(e) a person or entity compelled by administrative subpoena from the department or another IV-D agency to produce financial information or other information needed to establish paternity or to establish, modify, or enforce a support order fails to do so;*

~~(e)~~*(f)* a payor under an order to withhold issued pursuant to 40-5-415 fails to comply with the provisions of the order. In the case of a payor under an income-withholding order, a separate contempt occurs each time that income is required to be withheld and paid to the department and the payor fails to take the required action.

*(g) a payor or labor union fails to provide information to the department or another IV-D agency when requested under 40-5-443[; or]*

*[(h) a financial institution uses information provided by the department pursuant to [section 11] for any other purpose without the authorization of the department].*

~~(14)~~*(15)* ~~An~~ *Before initiating a contempt proceeding, the department shall give the alleged contemnor notice by personal service or certified mail of the alleged infraction and a reasonable opportunity to comply with the law and to cure the alleged infraction. In order to initiate a contempt proceeding, an* affidavit of the facts constituting a contempt must be submitted to the hearings officer, who shall review it to determine whether there is cause to believe that a contempt has been

committed. If cause is found, the hearings officer shall issue a citation requiring the alleged contemnor to appear and show cause why the alleged contemnor should not be determined to be in contempt and required to pay a penalty of not more than $500 for each count of contempt. The citation, along with a copy of the affidavit, must be served upon the alleged contemnor either by personal service or by certified mail. All other interested persons may be served a copy of the citation by first-class mail.

~~(15)~~*(16)* At the time and date set for hearing, the hearings officer shall proceed to hear witnesses and take evidence regarding the alleged contempt and any defenses to the contempt. If the alleged contemnor fails to appear for the hearing, the hearing may proceed in the alleged contemnor's absence. If the hearings officer finds the alleged contemnor in contempt, the hearings officer may impose a penalty of not more than $500 for each count found. The hearings officer's decision constitutes a final agency decision, subject to judicial review under 40-5-253 and subject to the provisions of Title 2, chapter 4.

~~(15)~~*(17)* An amount imposed as a penalty may be collected by any remedy available to the department for the enforcement of child support obligations, including warrant for distraint pursuant to 40-5-247, income withholding pursuant to Title 40, chapter 5, part 4, and state debt offset, pursuant to Title 17, chapter 4, part 1. The department may retain any penalties collected under this section to offset the costs of administrative hearings conducted under this chapter.

~~(17)~~*(18)* The penalties charged and collected under this section must be paid into the state treasury to the credit of the child support enforcement division special revenue fund and must be accompanied by a detailed statement of the amounts collected."

**Section 46.** Section 40-5-227, MCA, is amended to read:

**"40-5-227. Filing and docketing of final orders — orders effective as district court decrees.** (1) An abstract of any final administrative order under this chapter may be filed in the office of the clerk of the district court of any county of Montana. ~~The~~ *Upon the request of the department, the* order~~, if approved,~~ must be docketed in the judgment docket of the district court. The properly filed and docketed order has all the force, effect, and attributes of a docketed order or decree of the district court, including but not limited to lien effect and enforceability by supplemental proceedings, writs of execution, and contempt of court proceedings. *A final administrative order of the department is effective and enforceable without filing and docketing the order in the district court. Contempt of court proceedings and writs of execution based on the administrative order may not be requested from the district court unless the administrative order is first docketed with the district court. The administrative order may not operate as a judgment lien, unless the order is first docketed with the district court or a lien is otherwise perfected under the laws of this state, including 40-5-248.*

(2) A final administrative order that determines and sets periodic support payments in the absence of a district court order, when filed and docketed under this section, may be modified by a district court order only as to installments accruing after actual notice to the parties of any motion for modification. The standard for a modification is that set forth in 40-4-208.

HeinOnline -- 1997 vol. III 3466 1997

(3) The department may issue a warrant for distraint based upon a properly filed and docketed order pursuant to 40-5-247."

**Section 47.** Section 40-5-232, MCA, is amended to read:

**"40-5-232. Establishment of paternity — notice of ~~paternity determination~~ *parental responsibility* — contents.** (1) When the paternity of a child has not been legally established under the provisions of Title 40, chapter 6, part 1, or otherwise, the department may proceed to establish paternity under the provisions of 40-5-231 through 40-5-237. An administrative hearing held under the provisions of 40-5-231 through 40-5-237 is a contested case within the meaning of 2-4-102 and is subject to the provisions of Title 2, chapter 4, except as otherwise provided in 40-5-231 through 40-5-237.

(2) It is presumed to be in the best interest of a child to legally determine and establish paternity. A presumption under this subsection may be rebutted by a preponderance of the evidence.

(3) In ~~any~~ *a* proceeding under 40-5-231 through 40-5-237, if ~~a person acknowledges paternity of a child in writing and the acknowledgment is filed with the department,~~ *an alleged father consents in writing to entry of an order declaring the alleged father to be the legal father of a child,* the department may enter an order establishing legal paternity. As a part of ~~a voluntary acknowledgment~~ *a consent to entry of an order declaring paternity*, the department shall provide information to the ~~parents~~ *parents* regarding the rights and responsibilities of ~~acknowledging~~ *an alleged father consenting to entry of an order declaring* paternity. ~~An acknowledgment~~ *A consent to entry of an order declaring paternity* is binding on a parent who executes it, whether or not the parent is a minor.

(4) Full faith and credit must be given to a determination of paternity made by any other state, whether presumed by law, established through voluntary acknowledgment, or established by administrative or judicial processes.

(5) The department sball commence proceedings to establish paternity by serving on an alleged father a notice of ~~paternity determination~~ *parental responsibility*. The department may not serve the notice unless it has:

(a) a sworn statement ~~from the child's mother~~ claiming that the alleged father is the child's natural father;

(b) evidence of the existence of a presumption of paternity under 40-6-105; or

(c) any other reasonable cause to believe that the alleged father is the child's natural father.

(6) Service on the alleged father of the notice of ~~paternity determination~~ *parental responsibility* must be made as provided in 40-5-231(2). The notice must include:

(a) an allegation that the alleged father is the natural father of the child involved;

(b) the child's name and place and date of birth;

HeinOnline -- 1997 vol. III 3467 1997

(c) the name of the child's mother and the name of the person or agency having custody of the child, if other than the mother;

(d) the probable time or period of time during which conception took place;

(e) a statement that if the alleged father fails to timely deny the allegation of paternity, the question of paternity may be resolved against the alleged father without further notice;

(f) a statement that if the alleged father timely denies the allegation of paternity:

(i) the alleged father is subject to compulsory paternity blood testing;

(ii) a paternity blood test may result in a presumption of paternity; and

(iii) upon receipt of the paternity blood test results, if the alleged father continues to deny paternity, the alleged father may request the department to refer the matter to district court for a determination of paternity.

(7) The alleged father may file a written denial of paternity with the department within 20 days after service of the notice of ~~paternity determination~~ *parental responsibility*.

(8) When there is more than one alleged father of a child, the department may serve a notice of ~~paternity determination~~ *parental responsibility* on each alleged father in the same consolidated proceeding or in separate proceedings. Failure to serve notice on an alleged father does not prevent the department from serving notice on any other alleged father of the same child."

**Section 48.** Section 40-5-233, MCA, is amended to read:

**"40-5-233. Establishment of paternity — administrative hearing — subpoena — compulsory blood testing.** ~~(1) When the department receives a timely written denial of paternity, it may order the alleged father to appear for an administrative hearing. The hearing may be conducted by teleconferencing methods. If the testimony and other supplementary evidence demonstrate a reasonable probability that the alleged father had sexual intercourse with the child's mother during the probable time of the child's conception or if the evidence shows a probable existence of a presumption under 40-6-105, the department may issue a subpoena ordering the alleged father to submit to paternity blood testing. A reasonable probability of sexual intercourse during the possible time of conception may be established by affidavit of the child's mother.~~

*(1) (a) Paternity blood testing may be requested by the alleged father, the mother, or the child through the child's custodian and may be made in conjunction with or in addition to a notice the department issues under 40-5-232. The request must be in writing and must be supported by a sworn statement of the requester that includes:*

*(i) an allegation of paternity and sufficient facts to establish a reasonable probability that the alleged father engaged in an act with the child's mother during the probable time of the child's conception that could have resulted in the child's conception; or*

*(ii) a denial of paternity and sufficient facts to establish a reasonable probability of the nonexistence of contact between the alleged father and the child's mother that could have resulted in the child's conception.*

*(b) If the department determines after a review of a sworn statement that there are sufficient facts to establish a reasonable probability of paternity or nonpaternity as claimed by the requesting party, the department shall issue a subpoena ordering the alleged father, the mother, or the child through the child's custodian to submit to blood testing.*

*(c) A pending request for blood testing under this section does not prevent the department from issuing a notice of parental responsibility under 40-5-232.*

*(d) Denial of a request for paternity blood testing under this subsection (1) is not a finding of nonpaternity and does not prevent the issuance of a notice under 40-5-232. A denial does not affect the completion of any pending action initiated under 40-5-232.*

*(2) (a) The department may order an alleged father to appear for an administrative hearing when:*

*(i) the department determines that the sworn statement provided in subsection (1) does not contain sufficient facts to issue a blood test subpoena and that additional examination of witnesses or evidence is necessary; or*

*(ii) the department receives a timely filed written denial of paternity in response to a notice under 40-5-232.*

*(b) The hearing must initially be conducted by teleconferencing methods and is subject to the provisions of the Montana Administrative Procedure Act. At the request of a party, the hearings officer shall, at the close of a teleconference hearing, grant a de novo in-person hearing.*

*(c) The department may issue a subpoena ordering the alleged father to submit to paternity blood testing if the testimony and other supplementary evidence demonstrate a reasonable probability:*

*(i) that the alleged father engaged in an act with the child's mother during the probable time of the child's conception that could have resulted in the child's conception; or*

*(ii) when the alleged father's paternity is presumed under 40-6-105, of the nonexistence of contact between the alleged father and the child's mother that could have resulted in the child's conception.*

*(d) For the purposes of this subsection (2), a reasonable probability of an act during the possible time of conception may be established by affidavit of the child's mother without need for the mother to appear at the hearing.*

*(3) Previous paternity actions under this part that did not result in a subpoena for paternity blood testing do not prevent the department from recommencing a paternity action if the department believes it can establish any of the factors listed in subsection (2)(c) or (2)(d).*

~~(2)~~*(4)* When there is reasonable cause to suggest that a blood test sample of a person submitting to a blood test was not the sample of the alleged father,

mother, or child, an additional hearing may be held. The scope of the hearing is limited to questions involving the blood drawing or the chain of custody at the blood drawing site. The ~~hearing~~ *hearings* officer may order retesting of any party.

~~(3)~~*(5)* If the department does not receive a timely *filed* written denial of paternity or if an alleged father fails to appear at a scheduled hearing or for a scheduled paternity blood test, the department may enter an order declaring the alleged father the legal father of the child. The order will take effect within 10 days after entry of the default unless the alleged father before the 10th day presents good cause for failure to make a timely denial or for failure to appear at the hearing or to undergo paternity blood testing. The department may not enter an order under this section if there is more than one alleged father unless the default applies to only one of them and all others have been excluded by the results of paternity blood testing. An order issued under the provisions of this section may be set aside as provided in 40-5-235(3).

~~(4)~~*(6)* If the rights of others and the interests of justice so require, the department may apply to any district court under the provisions of 2-4-104 for an order compelling an alleged father to submit to paternity blood testing. The court shall hear the matter as expeditiously as possible. If the court finds reasonable cause to believe that the alleged father is the natural or presumed father of the child, the court shall enter an order compelling the alleged father to submit to a paternity blood test. ~~As provided in subsection (1), reasonable~~ *Reasonable* cause may be established by affidavit of the child's mother."

**Section 49.** Section 40-5-235, MCA, is amended to read:

**"40-5-235. Effcet of order establishing paternity — birth records — relief frem order.** (1) An administrative order of the department declaring the paternity of a child~~, docketed as provided in 40-5-227,~~ establishes the legal existence of the parent and child relationship for all purposes and confers or imposes all parental rights, privileges, duties, and obligations.

(2) Upon the request of the mother or father of ~~the~~ *a* child *born in this state*, the department shall prepare a substitute certificate of birth, if necessary, consistent with the administrative order. The substitute certificate of birth is subject to the provisions of 40-6-123, with references to "court" taken to mean "department".

(3) Except for an order based on a ~~voluntary acknowledgment of~~ *consent to entry of an order declaring* paternity, the department may set aside an administrative order establishing the paternity of a child upon the application of any affected party and upon a showing of any of the grounds and within the timeframes provided in Rule 60(b) of the Montana Rules of Civil Procedure.

(4) An order of the department under 40-5-232 through 40-5-235 may be reviewed under the provisions of Title 2, chapter 4, part 7."

**Section 50.** Section 40-5-236, MCA, is amended to read:

**"40-5-236. Referral of paternity issue to district court — record — partics — exclusion of other matters — fees.** (1) If the scientific evidence resulting from a paternity blood test does not exclude the alleged father and the alleged father continues to deny paternity, the alleged father shall file a written objection with the department within 20 days after service of the paternity blood

test results. Upon receipt of the written objection, the department shall refer the matter to the district court for a determination based on the contents of the administrative hearing record and any further evidence that may be produced at trial. Except as otherwise provided in 40-5-231 through 40-5-237, proceedings in the district court must be conducted pursuant to Title 40, chapter 6, part 1.

(2) The administrative record must include:

(a) a copy of the notice of ~~paternity determination~~ *parental responsibility* and the return of service of the notice;

(b) the alleged father's written denial of paternity, if any;

(c) the transcript of the administrative hearing;

(d) the paternity blood test results and any report of an expert based on the results; and

(e) any other relevant information.

(3) Upon filing of the record with the district court, the court acquires jurisdiction over the parties as if they had been served with a summons and complaint. The department shall serve written notice upon the alleged father, as provided in 40-5-231(2), that the issue of paternity has been referred to the district court for determination.

(4) In a proceeding in the district court, the department shall appear on the issue of paternity only. The court may not appoint a guardian ad litem for the child unless the court in its discretion determines that an appointment is necessary and in the best interest of the child. Neither the mother nor the child is a necessary party, but either may testify as a witness.

(5) No other matter may be joined with an action to determine the existence or nonexistence of the parent and child relationship under this section. The parties shall institute an independent action to address other issues, including visitation and custody.

(6) Except as provided in 25-10-711, the department is not liable for attorney fees, including fees for attorneys appointed under 40-6-119, or fees of a guardian ad litem appointed under 40-6-110."

**Section 51.** Section 40-5-237, MCA, is amended to read:

**"40-5-237. District court paternity proceedings — objection to tests — additional tests — expert's report — admissibility of evidence.** (1) In a matter referred to the district court, if an alleged father objects to the procedures for or the results of a paternity blood test, the alleged father shall file a written objection with the court within 20 days after service of the notice required by 40-5-236(3). The court shall order an additional paternity blood test *upon the alleged father's advance payment for additional testing* if a written objection is timely filed or at the request of the department. *The alleged father's advance payment must be returned to the alleged father if the test does not produce evidence of the alleged father's paternity.* An additional test must be performed by the same or another expert who is qualified in paternity blood testing. Failure of the alleged father to make a timely challenge is considered a waiver of any defense to the test results or test procedures, including the chain of custody.

HeinOnline -- 1997 vol. III 3471 1997

(2) If an objection to the paternity blood test is not timely filed, the paternity blood test expert's completed and certified report of the results and conclusions of a paternity blood test is admissible as evidence without additional foundation testimony or other proof of authenticity and accuracy if the laboratory in which the expert performed the test is accredited for parentage testing by the American association of blood banks. Accreditation may be established by verified statement or reference to published sources. This subsection does not limit the right of a party to contest the identity of persons submitting to testing.

(3) In any hearing before the court or at trial, testimony relating to sexual intercourse of the mother with any person who has been excluded from consideration as a possible father of the child involved by the results of a paternity blood test is inadmissible in evidence.

(4) When a paternity blood test excludes an alleged father from possible paternity, the test is conclusive evidence of nonpaternity of the alleged father for all purposes in the district court."

**Section 52.** Section 40-5-263, MCA, is amended to read:

"**40-5-263. Central clearinghouse — interstate enforcement services — powers and duties of the department.** (1) The department shall establish a clearinghouse for the registration of all interstate IV-D cases referred to the department by other states. The clearinghouse shall serve as the central point for the receipt and dissemination of information regarding interstate enforcement requests, including but not limited to:

(a) petitions under the Revised Uniform Reciprocal Enforcement of Support Act, *Uniform Reciprocal Enforcement of Support Act,* or the Uniform Interstate Family Support Act; and

(b) wage withholding requests under part 4 of this chapter.

(2) (a) A case must be referred to the clearinghouse to be processed as a IV-D case and receive the benefits of IV-D status and clearinghouse services.

(b) The clearinghouse may accept any interstate IV-D referral made by interstate application or by petition under the Revised Uniform Reciprocal Enforcement of Support Act or the Uniform Interstate Family Support Act. An application must be made on forms prescribed by the department.

(3) Upon certification by the initiating state that a case filed in the registry of foreign support orders, including a petition under *the Uniform Reciprocal Enforcement of Support Act,* the Revised Uniform Reciprocal Enforcement of Support Act, or the Uniform Interstate Family Support Act, is eligible for IV-D services and that the obliger resides, has property, or derives income in this state, the department may*:* ~~establish or enforce a child support obligation by any appropriate statute, including the remedies in this chapter~~

*(a) proceed under Title 40, chapter 5, part 1; or*

*(b) pursue any other remedy available to it to establish or enforce a support order.*

(4) If necessary, the department shall establish the paternity of the child.

HeinOnline -- 1997 vol. III 3472 1997

(5) The clearinghouse shall:

(6) If the department is providing support enforcement services to a resident of this state, the director or the director's designee may certify any interstate petition, application, and referral, including a potition under part 1 of this chapter.

*(7) A lien created by operation of law or issued by order of a court or IV-D agency in another state to enforce a support order may, at the request of the other IV-D agency, be registered with the department. Upon registration, the lien applies to any of the obligor's real and personal property located in this state with the same force and effect as a lien established under 40-5-248. At the request of the other IV-D agency, a registered lien may be enforeed by the department using any remedy available to enforce a support lien under 40-5-248."*

**Seetion 53.** Section 40-5-264, MCA, is amended to read:

**"40-5-264. Cooperative agreements.** (1) The department may enter into cooperative agreements with any person, firm, corporation, association, political subdivision, *Indian tribe or tribal organization as defined in 25 U.S.C. 450b,* or department of this state as a cooporating contractor to provide enforcement services.

**Section 54.** Section 40-5-271, MCA, is amended to read:

**"40-5-271. Registration of support orders.** (1) The department ~~shall establish and maintain a support order registry.~~

~~(2) The registry must contain the support orders issued by the department.~~

~~(3) In a IV-D case, the department shall, upon the request of the obligor or the obligee, or may register a support order of a district court of this state or a support order of a court or administrative agency of another state with jurisdiction to enter the order. A certified copy of the order to be registered must accompany the written request for registration.~~

~~(4) Upon registration, the support order must be treated in the same manner and have the same effect as a support order issued by the department, and an abstract of the order may be filed under the provisions of 40-5-227. Review of the order under 40-5-272 is available only when the department is providing child support enforcement services for the order.~~ *may, for the purpose of review and modification proceedings under 40-5-272 and 40-5-273, register support orders issued by a district court of this state or by a court or administrative agency of another state. Registration of the order under this section does not confer jurisdiction for any purpose other than for the review and modification process.*

*(2) When the department conducts review and modification proceedings, the department shall give the parties notice by personal service or certified mail and opportunity to contest registration of the order. A party seeking to vacate the registered order has the burden of proving that the court or agency issuing the order:*

*(a) did not have jurisdiction to enter the order;*

*(b) did not have personal jurisdiction over the party; or*

*(c) did not give the party reasonable notice and opportunity to be heard before the order was entered.*

*(3) (a) As an alternative to any other registration process or remedy available for the enforcement of a support order issued by a court or agency in another state, the department may register the support order under this subsection (3).*

*(b) Registration under this subsection (3) is only for the purpose of enforcement and does not confer jurisdiction for any other purpose such as visitation, custody, or paternity disputes.*

*(c) If an order is registered for enforcement under this subsection (3), the department shall notify the parties to the order of the registration. A copy of the registered order must be included with the notice. The notice must inform the parties:*

*(i) of the amount of any alleged arrearage as of the date of the notice;*

*(ii) that a party may request a hearing to vacate the registration or to assert defense to any alleged arrearage for any reason set out in subsection (3)(e);*

*(iii) that a hearing to contest the validity or enforcement of the order must be requested within 20 days after service of the notice; and*

*(iv) that failure to contest the validity or enforcement of the registered order in a timely manner will result in confirmation of the order and enforcement of the order and the alleged arrearage and will preclude further contest of the order with respect to any matter that could have been asserted at the hearing.*

HeinOnline -- 1997 vol. III 3474 1997

*(d) A party seeking to contest the validity or enforcement of a registered order shall request a hearing within 20 days after service of the notice of registration. If a party fails to contest the validity or enforcement of the registered order in a timely manner, the order is confirmed by operation of law. If a party timely requests a hearing to contest the validity or enforcement of the order, the department shall schedule the matter for hearing.*

*(e) A party contesting the validity or enforcement of a registered order or seeking to vacate the registration has the burden of proving one or more of the following defenses:*

*(i) the court or agency issuing the order did not have subject matter jurisdiction to enter the order or lacked personal jurisdiction over the contesting party;*

*(ii) the court or agency issuing the order did not give the party reasonable notice and opportunity to be heard before the order was entered;*

*(iii) the order was obtained by fraud;*

*(iv) the issuing court or agency has stayed enforcement of the order pending appeal;*

*(v) the order has been vacated, suspended, or modified by a later order;*

*(vi) there is a defense under the law of this state to the remedy sought; or*

*(vii) the statute of limitations precludes enforcement of some or all of the arrearages.*

*(f) If the contesting party does not establish a defense under subsection (3)(e) to the validity or enforcement of the order, the department shall issue an order confirming the order. Confirmation of a registered order, whether by operation of law or after notice and hearing, precludes further contest of the order with respect to any matter that could have been asserted at the time of the registration. A confirmed order is enforceable as of the date of confirmation in the same manner as an order issued by the department or a district court of this state.*

*(g) In a proceeding for arrears, the statute of limitations under the laws of this state or of the issuing state, whichever is longer, applies.*

*(h) Hearings under this subsection (3) are subject to the provisions of the Montana Administrative Procedure Act and must initially be conducted by teleconferencing methods. At the request of a party, the hearings officer shall, at the close of a teleconference hearing, grant a de novo in-person hearing."*

**Section 55.** Section 40-5-273, MCA, is amended to read:

**"40-5-273. Administrative review of child support orders — modifying orders.** (1) A review application setting forth facts meeting any of the criteria for review of a child support order established in 40-5-272 must be scheduled for an administrative hearing, and a hearings officer must be appointed by the department. Unless the hearings officer determines under rules of the department that an in-person hearing is necessary, the hearing must be conducted by telephone conference. The order scheduling the hearing must be served on the obligor and the obligee at least 60 days before the hearing. The order must include the following information as an exception to 2-4-601:

HeinOnline -- 1997 vol. III 3475 1997

(a) the date and time for the hearing and, if appropriate, tho place for the hearing;

(b) a statement of the purpose, objectives, and possible consequences of the review;

(c) a statement of the right of the ohligor and the obligee to request the hearings officer to issue subpoenas compelling tbe appearance of witnesses and the production of documents for the hearing; and

(d) a requirement that the obligor and the obligee provide the hearings officer with telephone numbers at wbich they and their witnesses may he contacted for the hearing.

(2) The hearings officer may issue an order commanding the obligor or the obligee, or both, to produce financial information. The order must he personally served with the order scheduling the hearing. Tlie hearings officer may also issue subpoenas ordering the department or other parties to produce inforiiiation in their possession about the obligor and the obligee that may be reasonably necessary for application of the guidelines. Any information so obtained by the hearings officer must be provided to the department and other parties prior to the hearing.

(3) The requested modification of the order must be determined on the evidence submitted to the hearings officer under the following conditions:

(a) If an applicant other than the department fails to provide a telephone number for the hearing or fails to be at the numher provided when telephoned for the hearing, the failure is considered a withdrawal of the application.

(b) If a party other than the applicant fails to provide a telephone number for the hearing or fails to be at the number provided when telephoned for the hearing, the failure is considered to mean that the party does net oppose the modification.

(c) If the department is the applicant and if either the ohliger or the obligee, or both, fails to provide a telephone number for the hearing or fails to be at tbe number provided when telephoned for the hearing, the failure is considered an admission that the party or parties do not oppose the modification.

(4) An order entered under the circumstances described in subsection (3)(a), (3)(b), or (3)(c) becomes final within 10 days of issuance unless a party provides the hearings officer an affidavit showing good cause for failure to provide a telephone number or failure to be availahle for the hearing when telephoned.

(5) A provision of law iiiay not be construed to mean that an obligor or an obligee is a client of the department, and the department is not considered a party to the action.

(6) (a) In addition to the powers and duties provided by other law, the hearings officer shall, to ensure tlie equitable determination of a support obligation, during a review hearing:

(i) question witnesses in a nonadversarial manner to elicit full disclosure of all pertinent facts;

(ii) introduce evidence on behalf of the parties;

(iii) apply the guidelines to the facts elicited from the hearing; and

(iv) inquire as to any circumstances that may require variance from the guidelines.

(b) If a party is represented by legal counsel, the hearings officer may allow the counsel to present that party's case.

(7) The hearings officer shall determine a support obligation in accordance with the guidelines and shall issue a modifying order. If the hearings officer determines that the difference between the existing support order and the amount determined under the guidelines is negligible under rules issued by the department, the modifying order may not change the amount of the support obligation. Even though the review may indicate that a modification of the support obligation is appropriate, the department may not modify the support order if the hearings officer determines, after the review hearing, that to do so would not be in the best interests of the child under the rules issued by the department. An increase in child support is presumed to be in the best interests of the child unless, after a review hearing, either the obligor or the obligee demonstrates it would not be in the best interests of the child. The modifying order must ~~prospectively~~ modify the underlying support order from the date of service of the order scheduling the hearing *and may modify the underlying order from the date found to be the date that the amount required for support decreased. The obligee may be ordered to repay the obligor for any support amount overpayment found to have been paid since the date that the amount required for support decreased. If the case is a IV-D case, the department shall, on request of the obligor, enforce the obligee's repayment of the overpaid amount using any procedure provided in this chapter for payment, enforcement, and collection of child support or a delinquency.*

(8) The hearings officer shall make a written determination whether health insurance is available to the child of the obligor through the obligor's employment or other group insurance. If the hearings officer determines health insurance is available to the child of the obliger, the hearings officer shall issue a modifying order that requires the obliger to obtain and keep health insurance for the child. If the hearings officer determines that health insurance is not available to the child of the obliger, ~~he~~ *the hearings officer* shall issue a modifying order containing the notices provided in subsection (9). An order to provide health insurance is presumed to be in the best interests of the child unless, after a review hearing, either the obligor or the obligee demonstrates it would not be in the best interests of the child.

(9) In addition to complying with other requirements of law, the modifying order must include the following notices and warnings:

(a) that the obligor shall keep the department informed of the name and address of ~~his~~ *the obligor's* current employer and information on health insurance available to the obligor through the obligor's employment or other group insurance;

(b) that the obligor shall obtain and keep health insurance for the child of the obligor whenever it is available through the obligor's employment or other group insurance; and

(c) that the modifying order is subject to future administrative review and modification by the department upon the request of the department or a party under 40-5-271 through 40-5-273 when the department is providing services under IV-D.

(10) Orders entered under this section are final agency decisions, subject to judicial review pursuant to the Montana Administrative Procedure Act. All orders entered under this section must notify the parties that the order is subject to judicial review under Title 2, chapter 4, part 7.

(11) The parties to the support order and the department when it is providing services under IV-D may enforce the support order or modify that order independently, as provided in 40-4-208 and 53-2-613(4)(d)."

Notification that income withholding will be initiated if a delinquency is not paid within 8 days of the date of the notice is not necessary if such a notice was given for a prior delinquency and the prior delinquency in fact existed. This notice is different from the notice required by 40-5-305.*

*(2)* ~~A petition for an income deduction~~ *Income withholding* for the payment of ~~delinquent~~ child support ~~payments~~ may be ~~made~~ *initiated* by:

**Section 59.** Section 40-5-304, MCA, is amended to read:

**"40-5-304. When child support payments considered delinquent.** (1) Nonpayment of child support required by ~~any~~ *a district court or administrative* order ~~of a district court~~ or by a similar order of a court of another jurisdiction becomes delinquent under this part ~~when the amount owed is equal to 3 months of child support payments~~ *8 working days after the last day of the month in which the payment is due.*

(a) that there is good cause not to require immediate deduction; or

(b) that there is an alternative arrangement between the parties for the payment of support that provides sufficient security to ensure compliance with the arrangement.

(3) (a) For the purposes of subsection (2), a finding of good cause not to require immediate deduction must, at a minimum, be based on:

(i) a written determination and explanation by the district court as to why implementation of immediate deductions is not in the best interests of the child; and

(8) This section applies only to support orders that are not being enforced by the department *of public health and human services* under Title IV-D of the Social Security Act. "**40-5-412. Delinquency income withholding.** (1) *(a)* In the case of support orders not subject to immediate income withholding under 40-5-411, including cases in which the court or administrative authority has made a finding of good cause or determines that an alternative arrangement exists, the income of the obligor is subject to withholding under this part beginning on the ~~date on which the obligor is found to owe unpaid support under the support order in an amount equal to or in excess of 1 month's support payment~~ *day the obligor becomes delinquent in the payment of support.* ~~Intervening agreements or orders establishing a schedule for payment of delinquent support do not prevent income withholding under this part.~~

*(b) For purposes of this section, an obligor becomes delinquent 8 working days after the last day of the month in which the payment is due.*

*(c) Agreements or orders establishing a schedule for payment of delinquent support do not prevent income withholding under this part.*

*(2) (a) If the department determines that an obligor is delinquent, the department may notify the obligor that income withholding will be initiated if the delinquent amount is not received within 8 days of the date of the notice. If the obligor does not pay the delinquent amount within that time, the department may immediately send an order to withhold income to any payor. Notification that income withholding will be initiated if the delinquent amount is not received within 8 days of the date of the notice is not neccssary if such a notice was given for a prior delinquency and the prior delinquency in fact existed. This notice is different from the notice required by subsection (2)(b). The order must be limited to current support unless modified to include arrears as provided in 40-5-413.*

HeinOnline -- 1997 vol. III 3487 1997

*(b) At the same time an order to withhold income is sent to a payor, the department shall notify the obligor as provided in 40-5-413 that income withholding has been initiated.*

~~(2)~~*(3)* Notwithstanding the provisions of subsection (1), income withholding must be initiated, without regard to whether there is ~~an arrearage~~ *a delinquency*, on the earlier of:

(a) the date the obligor requests that withholding begin; or

(b) at the request of the obligee if the obligor is found, after an opportunity for hearing under 40-5-414, to be delinquent under the terms of an alternative arrangement for the payment of support.

~~(3)~~*(4)* To accomplish the purpose of subsection (1), the department shall monitor all support payments not otherwise subject to immediate withholding. To facilitate monitoring, the department by written notice to the obligor may direct an obligor ~~who does not owe unpaid child support equal to or in excess of 1 month's support payment~~ to pay all support through the department, notwithstanding a court order directing payments to be made to the obligee or clerk of court.

~~(4)~~*(5)* The only basis for contesting withholding under this section is a mistake of fact, which includes a mistake:

(a) concerning the obligor's identity;

(b) concerning the existence of the support obligation;

(c) concerning the amount of support to be paid;

(d) in the determination that the ~~delinquent support amounts owed are equal to or greater than 1 month's support payment~~ *obligor is delinquent in the payment of support*;

(e) in computation of delinquent support amounts owed; or

(f) in the allegation that the obligor is in default of an alternative agreement.

*(6) A mistake of fact under subsection (5) does not include mistakes relating to issues of paternity or establishment of custody and visitation."*

**Section 73.** Section 40-5-413, MCA, is amended to read:

(b) additional arrearages ~~have~~ accrued subsequent to the issuance of an order to withhold and the department proposes to add those arrearages to ~~the~~ *an existing* withholding order; or

(c) immediate withholding *or delinquency withholding* has commenced for current support and there are arrearages due for a period prior to entry of the order to withhold that the department propeses to add to the withholding order.

(2) The notice must contain a statement:

(a) of the amount ~~to be withheld~~ *subject to withholding*, including a computation showing the period and total amount of the arrearages as of the date of the notice;

(b) that withholding applies to all current and subsequent payors;

(c) ~~of the obligor's right to a hearing under 40-5-414 to contest the initiation of income withholding or modification of an existing order on the ground that the intended action is not proper because of mistake of fact, as provided in 40-5-412(4)~~ *of the procedures to follow if the obligor desires to contest income withholding on the grounds that the initiation of withholding or the modification of an existing withholding order is improper or that the amount to be withheld is in error due to a mistake of fact, as provided in 40-5-412*;

(d) of the period of time within which the obligor ~~must~~ *is required to file a* request *for* a hearing and that failure to *file a* request ~~the hearing~~ within the time limit will result in income withholding orders being served upon the payor for the amount stated in the notice; and

*(b) The obligor shall include with the hearing request a statement of one or more of the grounds for contesting income withholding provided in 40-5-412. If the hearing request fails to include that statement, the hearings officer may deny the hearing for failure to state an issue upon which a hearing may be granted.*

(2) Venue for the administrative hearing may be in the county where the obligor resides if the obligor resides in this state, the county in which the payor or the payor's agent is located, or the county in which the department or any of its regional offices is located.

(3) The ~~administrative~~ hearing must *initially* be held by teleconferencing methods ~~unless the obligor or the department expressly requests an in-person hearing before the hearings examiner~~ *and is subject to the Montana*

However, ~~in a proceeding to initiate income withholding,~~ if the obliger is only contesting an arrearage amount and is not contesting withholding for current support, income withholding for current support is not stayed. In a proceeding to modify an existing order, income withholding under the existing order to withhold is not stayed.

~~(b) the department shall, within 45 days of the service of the notice of intent to withhold income, inform the obligor of the hearing results concerning whether income withholding will take place.~~

*(b) unless good cause is found, the department shall, within 60 days of receipt of a request for a hearing, conduct a hearing. Unless good cause is found, within 60 days after a hearing is held, any post-hearing briefs are received, and all evidence has been provided to the department concerning a notice of intent to withhold income, the department shall inform the obligor whether income withholding must take place.*

(5) The department ~~shall issue an order to~~ *may continue an order to* withhold income *issued because of a delinquency* ~~or~~, ~~a modified~~ *may modify an existing* order to withhold *income, or may issue an order to withhold income* ~~in accordance with 40-5-415~~ if:

(a) the obliger fails to file a *timely* written request for hearing ~~with the department within the specified 10-day period~~ *that includes the statement showing a mistake of fact*;

(b) the obligor fails to appear at a scheduled hearing;

(c) the hearings examiner determines from the evidence that the obligor ~~owes unpaid support equal to or in excess of 1 month's support obligation and the amount of arrearages owing is determined and adjudged to be a fixed and certain sum~~ *is delinquent in the payment of support*;

(d) there is an existing order to withhold and if the hearings examiner determines from the evidence that the obligor owes new or additional amounts in arrears; or

(e) in cases in which income withholding is being initiated at the request of an obligee without regard to whether there is an arrearage, the hearings examiner determines from the evidence that the obligor did not meet the terms of the alternative arrangement.

~~(7) In a case initiated because an arrearage has accrued or because additional income is being withheld to satisfy additional arrearages, the obligor, within 45 days of service of the notice of intent to withhold income, must be informed of the hearing decision on whether income withholding will take place.~~

hearing from the support enforcement entity that issued the notice of intent to suspend the license. The request must be made within 60 days of the date of service of the notice.

(2) Upon receipt of a request for hearing from an obligor, the support enforcement entity shall schedule a hearing for the purpose of determining if suspension of the obligor's license is appropriate. The support enforcement entity shall stay suspension of the license pending the outcome of the hearing.

(3) The only issues that may be determined in a hearing under this section are the amount of the support debt or support obligation, if any, whether or not a delinquency exists, ~~and~~ whether or not the obligor has entered into a payment plan, *and whether or not the obligor failed to comply with a subpoena or warrant.*

(4) If an obligor fails to respond to a notice of intent to suspend a license, fails to timely request a hearing, or fails to appear at a regularly scheduled hearing, the obligor's defenses, objections, or request for a payment plan must be considered to be without merit and the support enforcement entity shall enter a final decision and order accordingly.

(5) If the support enforcement entity determines that the obligor owes a delinquency and that the obligor has not entered into a payment plan *or that the obligor failed to comply with a subpoena or warrant,* the support enforcement entity shall issue an order suspending the obligor's license and ordering the obligor to refrain from engaging in the licensed activity. The support enforcement entity shall send a copy of the order suspending a license to ~~the licensing authority and~~ the ohligor *and shall notify the licensing authority in writing of the suspension. Notification to the licensing authority is not required if the support enforcement entity has previously suspended the license of the obligor and the suspension is still in effect.*

(6) The determinations of the department under this section are a final agency decision and are subject to judicial review under 40-5-253 and the Montana Administrative Procedure Act.

(7) A determination made by the support enforcement entity under this part is independent of any proceeding of the licensing authority to suspend, revoke, deny, terminate, or renew a license."

**Section 81.** Section 40-5-704, MCA, is amended to read:

**"40-5-704. Suspension, denial, and nonrenewal of licenses.** (1) Upon receipt of ~~an order suspending a license~~ *the notice of suspension of the license under 40-5-703(5),* a licensing authority shall implement the suspension of the license by:

(a) determining if it has issued a license to the obligor whose name appears on the ~~order~~ *notice*;

(b) entering the suspension on the appropriate records;

(c) reporting the suspension as appropriate; ~~and~~

*(d) making good faith efforts to deny recreational activity licenses for the next applicable license year; and*

~~(d)~~*(e)* if required by law, demanding surrender of the suspended license.

(2) An order issued by a support enforcement entity under 40-5-703 suspending a license *and the notice of suspension given under 40-5-703(5)* must be processed by the licensing authority without an additional review or hearing involving the licensing authority concerning suspension of the license.

(3) Notwithstanding the provisions of any other law setting terms of suspension, revocation, denial, termination, or renewal of a license, an order issued by a support enforcement entity suspending a license must be implemented by the licensing authority and continues until the support enforcement entity advises the licensing authority that the suspension has been stayed or terminated.

(4) In the event that a license is suspended, any funds paid by the obligor to the licensing authority for costs related to issuance, renewal, or maintenance of a license may not be refunded to the obligor.

(5) Unless an order staying suspension of a license is in effect, an obligor who continues to engage in the business, occupation, profession, *recreational activity,* or other licensed activity while the obligor's license is suspended under this section is guilty of a misdemeanor and upon conviction shall be punished by a fine of not less than $250 or more than $500 or by imprisonment in the county jail for a term not to exceed 6 months, or both. Upon conviction of a second or subsequent violation, the obligor shall be punished by a fine of not less than $500 or more than $2,000 or by imprisonment in the county jail for a term not to exceed 1 year, or both. The support enforcement entity or the licensing authority may elect the remedy under this section or any other remedy provided for engaging in a licensed activity without a license or while the license is suspended.

(6) The licensing authority is exempt from liability to the licensee for activities conducted in compliance with this part.

(7) The licensing authority has no jurisdiction to modify, remand, reverse, vacate, or stay the order of the support enforcement entity suspending a license.

(8) To the extent that inconsistencies exist between this part and the procedural requirements for suspension of a license issued by the department, this part supersedes those requirements."

**Section 82.** Section 40-5-709, MCA, is amended to read:

**"40-5-709. Nondisciplinary suspension for failure to pay child support.** Notwithstanding any other provision of this title, the ~~department~~ *support enforcement entity* has the authority to suspend a license *or privilege to obtain a license* under this part without any action by the licensing authority. The licensing authority shall, upon receipt of ~~an order issued by~~ *notice of suspension of the license under 40-5-703(5) from* the support enforcement entity, suspend the license *or privilege to obtain a license* of the named individual. The suspension must be nondisciplinary for professional or occupational licenses, and the provisions of 2-4-631 do not apply."

HeinOnline -- 1997 vol. III 3497 1997

**Section 83.** Section 40-5-710, MCA, is amended to read:

**"40-5-710. Stay of suspension of license — payment plan — hardship.** (1) An obligor may at the time of the hearing conducted under 40-5-703 or, *except for a recreational activity license,* at any time after the hearing, petition the support enforcement entity for an order staying suspension of the license.

(2) The support enforcement entity shall consider the obligor's petition for a stay separately from any determination on whether suspension of a license is appropriate.

(3) The support enforcement entity may stay suspension of a license upon a showing that suspension or continued suspension of a license would create a significant hardship to the obligor, to the obligor's employees, to legal dependents residing in the obligor's household, or to persons, businesses, or other entities served by the obligor.

(4) A stay terminates upon:

(a) termination of the circumstances upon which a hardship is based;

(b) failure by the obligor to abide by the terms and conditions of a payment plan; or

(c) the date of termination, if any, provided in the order staying suspension of the license.

(5) If the licensing authority has been notified of an order suspending a license, the support enforcement entity shall *notify the licensing authority of any stay or reinstatement unless the support enforcement entity has suspended the license of the obligor for another delinquency or for failure to comply with a subpoena or warrant and the suspension for the other delinquency or failure to comply with a subpoena or warrant is still in effect. The support enforcement entity shall* send a copy of any order staying or reinstating suspension of the license to the ~~licensing authority and the~~ obligor.

(6) (a) Upon receipt of ~~an order~~ *a notice* staying or reinstating suspension of the license, the licensing authority shall:

(i) enter the information on appropriate records;

(ii) report the action as appropriate; and

(iii) demand surrender of the suspended license or return the reinstated license.

(b) Further action by the licensing authority is not necessary to implement the stay or reinstatement of suspension of the license."

**Section 84.** Section 40-5-711, MCA, is amended to read:

**"40-5-711. Termination of order to suspend license.** (1) ~~When~~ *Except as provided in subsection (3), when* the support enforcement entity determines that the support debt or support obligation is paid in full *or the obligor has complied with the subpoena or warrant,* it shall terminate the order suspending

the license. The support enforcement entity shall send a copy of the order terminating the suspension of the license to the ~~licensing authority and the~~ obligor.

(2) Entry of an order terminating suspension of a license does not limit the ability of a support enforcement entity to issue a new order suspending the license of the same obligor in the event of another delinquency *or failure to comply with a subpoena or warrant.*

*(3) A suspension of a recreational activity license is effective for the license year. The suspension does not terminate if the support enforcement entity determines that the support debt or support obligation is paid in full or the obligor has complied with the subpoena or warrant."*

**Section 85.** Section 40-6-102, MCA, is amended to read:

**"40-6-102. Definitions.** As used in this part, the following definitions apply:

(1) "Blood test" means a test that demonstrates through examination of genetic markers either that an alleged father is not the natural father of a child or that there is a probability that an alleged father is the natural father of a child. *The genetic markers may be identified from a person's blood or a tissue sample. The blood or tissue sample may be taken by blood drawing, buccal swab, or any other method approved by the American association of blood banks.* A blood test may include but is not limited to the human leukocyte antigen test and DNA probe technology.

(2) "Parent and child relationship" means the legal relationship existing between a child and the child's natural or adoptive parents incident to which the law confers or imposes rights, privileges, duties, and obligations. It includes the mother and child relationship and the father and child relationship.

(3) "Support judgment" or "support order" means an order, whether temporary or final, that provides for the periodic payment of an amount of money expressed in dollars for the support of a child, including medical and health needs, child care, education, recreation, clothing, transportation, and other related expenses and costs specific to the needs of the child."

**Section 86.** Section 40-6-105, MCA, is amended to read:

**"40-6-105. Presumption of paternity.** (1) A person is presumed to be the natural father of a child if any of the following occur:

(a) the person and the child's natural mother are or have been married to each other and the child is born during the marriage or within 300 days after the marriage is terminated by death, annulment, declaration of invalidity, or divorce or after a decree of separation is entered by a court;

(b) before the child's birth, the person and the child's natural mother have attempted to marry each other by a marriage solemnized in apparent compliance with law, although the attempted marriage is or could be declared invalid, and:

(i) if the attempted marriage could be declared invalid only by a court, the child is born during the attempted marriage or within 300 days after its termination by death, annulment, declaration of invalidity, or divorce; or

(ii) if the attempted marriage is invalid without a court order, the child is born within 300 days after the termination of cohabitation;

(c) after the child's birth, the person and the child's natural mother have married or attempted to marry each other by a marriage solemnized in apparent compliance with law, although tbe attempted marriage is or could he declared invalid, and:

(i) the child's mother and the child's alleged father have acknowledged the alleged father's paternity of the child in writing in accordance with subsection (1)(e) and the acknowledgment is filed with the department of public health and human services ~~or with the district court for the county where the person resides or for any county where the child support enforcement division of the department of public health and human services maintains a regional office~~;

(ii) with the person's consent, the person is named as the child's father on the child's birth certificate; or

(iii) the person is obligated to support the child under a written voluntary promise or by court order;

(d) while the child is under the age of majority, the person receives the child into the person's home and openly represents the child to be the person's natural child;

(e) the child's mother and the child's alleged father acknowledge the alleged father's paternity of the child in a paternity acknowledgment form that is provided by the department of public health and human services ~~and filed with the department or with the district court of the county where the person resides or for any county where the child support enforcement division of the department of public health and human services maintains a regional office~~. The department of public health and human services ~~or the district court~~ shall accept and file the completed form. As a part of a voluntary acknowledgment process, the department of public health and human services shall ~~provide~~ *make written and oral* information *available* to the parents regarding the rights and respensibilities of acknowledging paternity. If another person is presumed under this section to be the child's father, acknowledgment may be effected only with the written consent of the presumed father or after the presumption has been rebutted. *The presumption of paternity is created when the acknowledgment is filed with the department.*

(f) the scientific evidence resulting from a hlood test, whether ordered by a court or administrative agency of competent jurisdiction or agreed to hy the parties, shows a 95% or higher statistical probability of paternity~~.~~;

*(g) the person is presumed to be the child's natural father under the laws of the state or Indian territory in which the child was born.*

(2) An acknowledgment is binding on a parent who executes it, whether or not tho parent is a minor.

(3) ~~A~~ *Except for presumptions of paternity that are conclusive or irrebuttable under subsections (1)(g) and (5), a* presumption under this section may be rebutted:

*(a)* in an appropriate action by a preponderance of the evidence; *or*

*(b) by scientific evidence resulting from a blood test that excludes the person as the child's natural parent.*

(4) *(a)* A presumption of paternity established under this section is a sufficient basis for establishing a support order.

*(b) If a presumption is later rebutted or set aside and the person is under an order to pay support for the child, the person may only be relieved of support installments that accrued from the date of the order declaring the presumption to be rebutted.*

*(5) (a) An acknowledgment of paternity under subsection (1)(e) may be rescinded by a signatory at any time within 60 days after it was signed by filing a notice of withdrawal with the department of public health and human services. The notice of withdrawal must include an affidavit attesting that a copy of the notice was provided to any parent who signed the acknowledgment form.*

*(b) Without need for ratification by court or administrative proceedings, an acknowledgment of paternity under subsection (1)(e) becomes, as a matter of law, an irrebuttable presumption of paternity on the earlier of the date:*

*(i) the acknowledgment is not timely rescinded as provided in subsection (5)(a); or*

*(ii) a court or administrative judgment, decree, or order is entered that establishes paternity or a support order, when that proceeding includes the signatory.*

*(c) An irrebuttable presumption of paternity under this subsection (5) has the same force and effect as a district court judgment adjudicating paternity and may only be set aside for fraud, duress, or material mistake of fact. The burden of proof is on the person seeking to set the presumption aside. Except for good cause, legal responsibilities arising from the paternity acknowledgment may not be stayed pending the outcome of an action to set aside the presumption."*

**Section 87.** Section 40-6-111, MCA, is amended to read:

**"40-6-111. Pretrial proceedings.** (1) As soon as practicable after an action to declare the existence or nonexistence of the father and child relationship has been brought, an informal hearing ~~shall~~ *must* be held. The court may order that the hearing be held before a referee. The public ~~shall~~ *must* be barred from the hearing. A record of the proceeding ~~shall~~ *must* be kept.

(2) Upon refusal of any witness, including a party, te testify under oath or produce evidence, the court may order ~~him~~ *the witness* to testify under oath and produce evidence concerning all relevant facts. If the refusal is upon the ground that ~~his~~ *the* testimony or evidence might tend to incriminate ~~him~~ *the witness*, the court may grant ~~him~~ *the witness* immunity from all criminal liability on account of the testimony or evidence ~~he~~ *the witness* is required to produce. An order granting immunity bars prosecution of the witness for any offense shown in whole or in part by testimony or evidence ~~he~~ *that the witness* is required to produce, except for perjury committed in ~~his~~ *the* testimony. The refusal of a

witness who has been granted immunity to obey an order to testify or produce evidence is a civil contempt of the court.

*(3) Upon motion, a temporary support order may be issued at any time during a paternity action when there is clear and convincing evidence of paternity in the form of blood test results or other evidence. The temporary support order must be established according to the uniform child support guidelines adopted under 40-5-209."*

**Section 88.** Section 40-6-115, MCA, is amended to read:

**"40-6-115. Civil action.** (1) An action under this part is a civil action governed by the rules of civil procedure. The mother of the child and the alleged father are competent to testify and may be compelled to testify. Sections 40-6-111(2), 40-6-112, and 40-6-113 apply to all actions brought under this part.

(2) Testimony relating to sexual access to the mother by an unidentified person at any time or by an identified person at a time other than the probable time of conception of the child is inadmissible in evidence, unless offered by the mother.

(3) In an action against an alleged father, evidence offered by the alleged father with respect to a person who is not subject to the jurisdiction of the court concerning sexual intercourse with the mother at or about the probable time of conception of the child is admissible in evidence only if the alleged father has undergone and made available to the court blood tests, the results of which do not exclude the possibility of the alleged father's paternity of the child. A person who is identified and is subject to the jurisdiction of the court must be made a defendant in the action.

(4) If a blood test has been initially ordered under this part and a party objects to the blood test results, the objection must be filed within 20 days after service of the blood test results. If an objection is filed, *and upon the alleged father's advance payment for additional testing,* the court shall order an additional blood test. If no objection is made, the test results are admissible as evidence of paternity without the need for foundation testimony or other proof of authenticity or accuracy. This subsection does not limit the right of a party to contest the identity of persons submitting to testing.

(5) If the alleged father fails to answer or to appear at a scheduled hearing or for a scheduled blood test, the district court shall enter an order declaring the alleged father the legal father of the child. The district court may not enter an order under this section if there is more than one alleged father unless the default applies to only one of them and all others have been excluded by the results of blood testing.

*(6) Bills for pregnancy, childbirth, and paternity blood testing are admissible as evidence without third-party foundation testimony and are prima facie evidence of the amounts incurred."*

**Section 89.** Section 40-6-116, MCA, is amended to read:

**"40-6-116. Judgment or order.** (1) The judgment or order of the court determining the existence or nonexistence of the parent and child relationship is determinative for all purposes.

HeinOnline -- 1997 vol. III 3502 1997

(2) If the judgment or order of the court is at variance with the child's birth certificate, the court shall order that a substitute birth certificate be issued under 40-6-123.

(3) (a) The judgment or order may contain any other provision directed against the appropriate party to the proceeding concerning the custody and guardianship of the child, visitation privileges with the child, the furnishing of bond or other security for the payment of the judgment, or any other matter in the best interest of the child.

(b) Except when the financial responsibility of a responsible parent is in the process of being determined pursuant to the administrative procedure provided in 40-5-225, the judgment or order must contain a provision concerning the duty of child support.

(c) The judgment or order may direct the father to pay the reasonable expenses of the mother's pregnancy and confinement.

(4) (a) Support judgments or orders ordinarily must be for periodic payments, which may vary in amount.

(b) In the best interest of the child, a lump-sum payment or the purchase of an annuity may be ordered in lieu of periodic payments of support.

(c) The court may limit the father's liability for past support of the child to the proportion of the expenses already incurred that the court considers just.

(5) In determining the amount to be paid by a parent for support of the child and the period during which the duty of support is owed, a court enforcing the obligation of support shall consider all relevant facts, including:

(a) the needs of the child, including medical needs;

(b) the standard of living and circumstances of the parents;

(c) the relative financial means of the parents;

(d) the earning ability of the parents;

(e) the need and capacity of the child for education, including higher education;

(f) the age of the child;

(g) the financial resources and the earning ability of the child;

(h) the responsibility of the parents for the support of others;

(i) the value of services contributed by the custodial parent;

(j) the cost of day care for the child; and

(k) any custody arrangement that is ordered or decided upon.

(6) (a) Whenever a court issues or modifies an order concerning child support, the court shall determine the child support obligation by applying the standards in this section and the uniform child support guidelines adopted by the

department of public health and human services pursuant to 40-5-209. The guidelines must be used in all cases, including cases in which the order is entered upon the default of a party and those in which the parties have entered into an agreement regarding the support amount. A verified representation of a defaulting parent's income, based on the best information available, may be used when a parent fails to provide financial information for use in applying the guidelines. The amount determined under the guidelines is presumed to be an adequate and reasonable support award, unless the court finds by clear and convincing evidence that the application of the standards and guidelines is unjust to the child or to any of the parties or is inappropriate in that particular case.

(b) If the court finds that the guideline amount is unjust or inappropriate in a particular case, it shall state its reasons for finding that the application of the standards and guidelines is unjust to the child or a party or is inappropriate in that particular case. Similar reasons must also be stated in a case in which the parties have agreed to a support amount that varies from the guideline amount. Findings that rebut and vary the guideline amount must include a statement of the amount of support that would have ordinarily been ordered under the guidelines.

(c) If the court does not order a parent owing a duty of support to a child to pay any amount for the child's support, the court shall state its reasons for not ordering child support.

*(d) Child support obligations established under this section are subject to the registration and processing provisions of [sections 1 through 11].*

(7) The judgment or order, whether temporary or final, concerning child support and each modification of a judgment or order for child support must include a medical support order as defined in 40-5-804.

(8) (a) Unless an exception is found under 40-5-315 or 40-5-411 and the exception is included in the support order, a support obligation established by judgment, decree, or order under this section, whether temporary or final, and each modification of an existing support obligation made under 40-6-118 must be enforced by immediate or delinquency income withholding, or both, under Title 40, chapter 5, part 3 or 4. A support order that omits the exception or that provides for a payment arrangement inconsistent with this section is nevertheless subject to withholding for the payment of support without need for an amendment to the support order or for any further action by the court.

(b) If a support order subject to income withholding is expressed in terms of a monthly obligation, the order may be annualized and withheld on a weekly or biweekly basis, corresponding to the obligor's regular pay period.

*(c) If an obligor is excepted from paying support through income withholding, the support order must include as part of the order a requirement that whenever the case is receiving services under Title IV-D of the Social Security Act, support payments must be paid through the department of public health and human services as provided in [section 5].*

(9) *(a)* ~~For the purposes of income withholding as provided in subsection (8), whenever~~ *If* the district court establishes *paternity or establishes* or modifies a child support obligation, the judgment, decree, or order must include a provision

requiring the ~~parent obligated to pay support to inform~~ *parties to promptly file with* the court and~~, if the department of public health and human services is providing services under Title IV-D of the Social Security Act for the enforcement of the judgment, decree, or order, the department, of the following~~ *to update, as necessary, information on*:

*(i) identity of the party;*

*[(ii) social security number;]*

*(iii) residential and mailing addresses;*

*(iv) telephone number;*

*(v) driver's license number;*

~~(a)~~*(vi)* ~~the~~ name, ~~and~~ address, *and telephone number* of the ~~parent's current~~ *party's* employer; *and*

~~(b) whether the parent has access to health insurance through an employer or other group; and~~

~~(c) if insurance coverage is available, the health insurance policy information.~~

*(vii) if the child is covered by a health or medical insurance plan, the name of the insurance carrier or health benefit plan, the policy identification number, the name of the persons covered, and any other pertinent information regarding coverage or, if the child is not covered, information as to the availability of coverage for the child through the party's employer.*

*(b) The order must further direct that in any subsequent child support enforcement action, upon sufficient showing that diligent effort has been made to ascertain the location of the party, the district court or the department of public health and human services, if the department is providing services under Title IV-D of the Social Security Act, may consider the due process requirements for notice and service of process to be met with respect to the party upon delivery of written notice by regular mail to the most recent address of the party or the party's employer's address reported to the court.*

(10) Each district court judgment, decree, or order establishing a final child support obligation under this part and each modification of a final order for child support must contain a statement that the order is subject to review and modification by the department of public health and human services upon the request of the department or a party under 40-5-271 through 40-5-273 when the department is providing services under Title IV-D of the Social Security Act for the enforcement of the order.

*[(11) The social security number of a person subject to a paternity determination under this part must be recorded in the records relating to the matter. The recordkeeper shall keep the social security number from this source confidential, except that the number may be provided to the department of public health and human services for use in administering Title IV-D of the Social Security Act.]*"

**Section 90.** Section 40-6-117, MCA, is amended to read:

**"40-6-117. Enforcement of judgment or order.** (1) If existence of the father and child relationship is declared or paternity or a duty of support has been acknowledged or adjudicated under this part or under prior law, the court may, *except as provided in 40-6-116(8) and [section 5],* order support payments to be made to the mother, the clerk of the court, or a person, corporation, or agency designated to administer them for the benefit of the child under the supervision of the court.

(2) Full faith and credit must be given to a determination of paternity made by any other state, whether presumed by law, established through voluntary acknowledgment, or established by administrative or judicial processes.

(3) Willful failure to obey the judgment or order of the court is a civil contempt of the court. All remedies for the enforcement of judgments apply.

(4) (a) A district court judgment, decree, or order that establishes or modifies a child support obligation must include a provision requiring the child support *obligation* to be paid, *without need for further order of the court,* to:

(i) the legal custodian of the minor child;

(ii) ~~(A) any other~~ *a* person, organization, or agency ~~having legal~~ *to which the legal custodian voluntarily or involuntarily relinquishes actual* physical custody of the ~~minor~~ child ~~or collecting child support on behalf of the minor child under a legal assignment of rights~~; or

~~(B) the court for the benefit of the minor child;~~

(iii) any other person, *organization,* or agency ~~designated as caretaker of the minor child by agreement of the legal custodian; or~~

~~(iv) any assignee or other person, organization, or agency authorized to receive or collect child support~~ *entitled by law, assignment, or similar reason to receive or collect the child support obligation.*

*(b) If the department of public health and human services is providing services under Title IV-D of the Social Security Act, payment of support must be made through the department for distribution to the person, organization, or agency entitled to the payment.*

~~(b)~~*(c)* A judgment, decree, or order that omits the provision required by subsection (4)(a) is subject to the requirements of subsection (4)(a) without need for an amendment to the judgment, decree, or order or for any further action by the court."

**Section 91.** Section 50-15-210, MCA, is amended to read:

**"50-15-210. Paternity acknowledgment.** (1) Upon the birth of a child to a mother unmarried at the time of birth, the administrator or person in charge of a hospital or other institution in which the birth occurs or the midwife who attends the birth shall:

(a) provide an opportunity for the child's mother and alleged father to complete an acknowledgment of paternity pursuant to 40-6-105;

(b) provide written information, furnished by the department of public health and human services, describing the rights and responsibilities of paternity, the benefits of having a child's paternity established, and the child's right to receive support; and

(c) forward a copy of an acknowledgment signed by the mother and the father to the department.

(2) The hospital, institution, or midwife is entitled to reimbursement for reasonable costs of obtaining an acknowledgment. The department of public health and human services shall establish the amount of reasonable costs, not to exceed the amount for which federal financial participation is available, and the procedures for claiming reimbursement.

(3) Hospitals, institutions, and midwives shall use forms prescribed by the department *of public health and human services* for the acknowledgment of paternity.

*(4) If the child is born in this state, the department of public health and human services shall file an acknowledgment received under 40-6-105 or this section with the child's certificate of birth. If the child was not born in this state or if an acknowledgment received under 40-6-105 or this section cannot be filed with the child's certificate of birth, the department shall file the acknowledgment in an acknowledgment registry created and maintained for that purpose."*

**Section 92.** Section 50-15-223, MCA, is amended to read:

(b) a request that a new certificate be established if the request shows that:

(i) a district court, *court of appropriate jurisdiction in another state, or administrative agency in this state or another state with appropriate jurisdiction* has determined the paternity of the person *and information necessary to identify the original certificate of birth is provided*; or

(ii) both parents have acknowledged the paternity of the person and request that the surname be changed from that shown on the original certificate.

(2) The date of birth and the city and county of birth must be stated in the newly established certificate of birth. The department shall substitute the new certificate of birth for the original certificate of birth in the files. The original certificate of birth and the evidence of adoption, legitimation, court determination of paternity, or paternity acknowledgment may not be subject to inspection, except upon order of a district court, as provided by rule, or as otherwise provided by state law.

HeinOnline -- 1997 vol. III 3507 1997

**Section 99. Codification instruction.** (1) [Sections 1 through 11] are intended to be codified as an integral part of Title 40, chapter 5, and the provisions of Title 40, chapter 5, apply to [sections 1 through 11].

(5) [Section 15] is intended to be codified as an integral part of Title 19, chapter 20, part 3, and the provisions of Title 19, chapter 20, apply to [section 15].

**Section 100. Coordination instruction.** If House Bill No. 168 is passed and approved and if it includes the words "or upon a showing that the party's case was substantially prejudiced by the lack of an in-person hearing" or similar language in amendments to the following MCA sections, then that language is stricken from those sections:

17-4-105(4)(c)

40-5-189(1)

40-5-226(2)

40-5-414(3)

40-5-703(2)

40-5-824(5).

**Section 101. Severability.** If a part of [this act] is invalid, all valid parts that are severable from the invalid part remain in effect. If a part of [this act] is invalid in one or more of its applications, the part remains in effect in all valid applications that are severable from the invalid applications.

**Section 102. Two-thirds vote required.** Because 40-5-206 limits governmental liability by including a provision that a public entity that discloses certain information is not liable for negligent disclosure, Article II, section 18, of the Montana constitution requires a vote of two-thirds of the members of each house of the legislature for passage of that provision. If the required vote is not obtained, the bracketed phrase contained in 40-5-206 is void.

**Section 103. Effective dates.** (1) Except as provided in subsections (2) and (3), [this act] is effective July 1, 1997.

(2) [Sections 1, 9, 10, and 13] are effective October 1, 1997.

(3) [Sections 2 through 8] are effective October 1, 1998.

**Section 104. Contingent termination — request for federal exemptions.** (1) [Sections 9, 11, 22 through 24, 93, and 95] and the bracketed language in [sections 1 through 3, 10, 25, 45, and 89] terminate on the date of the suspension if the federal government suspends federal payments to this state for this state's child support enforcement program and for this state's program relating to temporary assistance to needy families because of this state's failure to enact law as required by the federal Personal Responsibility and Work Opportunity Reconciliation Act of 1996.

(2) [Sections 9, 11, 22 through 24, 93, and 95] and the bracketed language in [sections 1 through 3, 10, 25, 45, and 89] terminate on the date that a final decision is rendered in federal court invalidating the child support provisions of the federal Personal Responsibility and Work Opportunity Reconciliation Act of 1996.

HeinOnline -- 1997 vol. III 3514 1997

(3) If the director of the department of public health and human services certifies to the governor and the secretary of state in writing that one of the following provisions is no longer required by federal law because of repeal of or amendment to federal statutes that require that provision, the provision terminates on the date the certification takes effect:

(a) [section 9];

(b) [section 11];

(c) [sections 22 through 24];

(d) [section 93];

(e) [section 95];

(f) the bracketed provisions in [sections 1 through 3, 10, 25, 45, and 89].

(4) If the director of the department of public health and human services certifies to the governor and the secretary of state in writing that the federal government has granted this state an exemption from one of the following provisions, the provision terminates on the date the exemption takes effect:

(a) [section 9];

(b) [section 11];

(c) [sections 22 through 24];

(d) [section 93];

(e) [section 95];

(f) the bracketed provisions in [sections 1 through 3, 10, 25, 45, and 89].

(5) (a) The department of public health and human services shall do everything reasonably within its power to obtain, as soon as possible, federal government exemptions from the provisions listed in subsection (4).

(b) Because section 395(c) of the federal Personal Responsibility and Work Opportunity Reconciliation Act of 1996 (PRWORA) allows a grace period for states to amend their constitutions in order to comply with PRWORA and because the Montana legislature believes that the section of PRWORA prohibiting a jury trial in a paternity proceeding violates Article II, section 26, of the Montana constitution and is therefore rejected, the department of public health and human services shall seek a federal government exemption from the jury trial prohibition in PRWORA as the first exemption it seeks under subsection (5)(a).

(6) [Sections 9, 11, 22 through 24, 93, and 95] and the bracketed language in [sections 1 through 3, 10, 25, 45, and 89] terminate July 1, 1999.

(7) If the bracketed language in [sections 1 through 3, 10, 25, 45, and 89] terminates, the code commissioner is instructed to renumber subsections, adjust internal references, and correct grammar and arrangement.

CHAPTER 30

Committees

**30-10. Committee chair.** Except as provided in Joint Rule 30-50, the chair of the Senate committee is the chair of all joint committees.

**30-20. Voting in joint committees.** (1) Except for Rules Committees and conference committees, a member of a joint committee votes individually and not by the house to which the committee member belongs.

(2) Because the Rules Committees and conference committees are joint meetings of separate committees, in those committees the committees from each house vote separately. A majority of each committee must agree before any action may be taken, unless otherwise specified by individual house rules.

**30-30. Conference committees.** (1) If either house requests a conference and appoints a committee for the purpose of discussing an amendment on which the two houses cannot agree, the other house shall appoint a committee for the same purpose. The time and place of all conference committee meetings must be agreed upon by their chairs and announced from the rostrum. This announcement is in order at any time. Failure to make this announcement does not affect the validity of the legislation being considered.

(2) A conference committee, having conferred, shall report to the respective houses the result of its conference. A conference committee shall confine itself to consideration of the disputed amendment. The committee may recommend:

(a) acceptance or rejection of each disputed amendment in its entirety; or

(b) further amendment of the disputed amendment.

(3) If either house requests a free conference committee and the other house concurs, appointments must be made in the same manner as above. A free conference committee may discuss a bill in its entirety and is not confined to a particular amendment.

**30-40. Conference committee — enrolling.** A conference committee report shall give clerical instructions for a corrected reference bill and for enrolling by referring to the reference bill version.

**30-50. HeinOnline -- 1997 vol. III 3523 1997

(2) Meetings of the joint committee must be held upon call of the chair of the House Committee on Appropriations, who is chair of the joint committee.

(3) The committee chair of the Senate Committee on Finance and Claims or of the House Committee on Appropriations may be a voting member in the joint subcommittees if:

(a) either house has fewer memhers on the joint subcommittees;

(b) the chair represents the house with fewer members on the subcommittees; and

(c) the chair is present for the vote.

**30-60. Estimation of revenue.** The Revenue Oversight Committee shall introduce a House joint resolution for the purpose of estimating revenue that may be available for appropriation by the Legislature.

CHAPTER 40

Legislation

**40-10. Amendment to state constitution.** A bill must be used to propose an amendment to The Constitution of the State of Montana. The bill is not subject to the veto of the Governor (Montana Constitution, Art. VI, Sec. 10(1)).

**40-20. Appropriation bills.** (1) All appropriation bills must originate in the House of Representatives.

(2) Appropriation bills for the operation of the Legislature must be introduced by the chair of the House Committee on Appropriations.

**40-30. Effeetive dates.** (1) Except as provided in subsections (2) through (4), a statute takes effect on October 1 following its passage and approval unless a different time is prescribed in the enacting legislation.

(3) A statute providing for the taxation or imposition of a fee on motor vehicles takes effect on the first day of January following its passage and approval unless a different time is prescribed in the enacting legislation.

(4) A joint resolution takes effect on its passage unless a different time is prescribed therein (sections 1-2-201 and 1-2-202, MCA).

**40-40. Bili requests and introduetion — limits and proeedures.** (1) Prior to a regular session, a person entitled to serve in that session, hereafter referred to as a "member", is entitled to request bill drafting services from the Legislative Services Division, subject to the following limits:

(a) Prior to 5 p.m. on December 5 preceding a regular session of the Legislature, a member may request an unlimited number of bills and resolutions to be prepared by the Legislative Services Division for introduction in the regular session.

HeinOnline -- 1997 vol. III 3524 1997

(b) After 5 p.m. on December 5, a member may request no more than seven bills or resolutions to be prepared by the Legislative Services Division. At least five of the seven bills or resolutions must be requested before the regular session convenes.

(c) After December 5, a member, in the member's discretion, may grant to any other member any of the remaining bill or resolution requests the granting member has not used.

(d) These limitations on bill and resolution requests do not apply to:

(i) Code Commissioner bills;

(ii) a bill or resolution requested by a standing committee; and

(iii) a bill or resolution requested by a member at the request of a newly elected state official if so designated.

(2) The staff of the Legislative Services Division shall work on bill draft requests in the order received. After a member has requested the drafting of five bills, the sixth bill request and all subsequent bill requests of that member must receive a lower drafting priority than all other bills of members not in excess of five per member. A bill requested pursuant to subsection (5) must receive a lower drafting priority than all bills requested by members, unless the requesting member assigns that request to the member's five-request priority. A legislator draft must receive priority at each step of the drafting process. A legislator draft must be delivered to the Legislative Services Division by the 20th legislative day or the request is canceled. The staff of the Legislative Services Division shall assign a higher priority to any bill draft request when jointly directed by:

(a) the President of the Senate, the minority leader of the Senate, the Speaker of the House, and the minority leader of the House; or

(b) the House and the Senate.

(3) Bills and resolutions must be reviewed by the staff of the Legislative Services Division prior to introduction for proper format, style, and legal form. The staff of the Legislative Services Division shall store bills on the automated bill drafting equipment and shall print and deliver them in duplicate to the requesting members. The original bill cover must be signed to indicate review by the Legislative Services Division. A bill may not be introduced unless it is so signed.

(4) During a session, a bill may be introduced by endorsing it with the name of a member and presenting it in duplicate to the Chief Clerk of the House of Representatives or the Secretary of the Senate. Bills or joint resolutions may be sponsored jointly by Senate and House members. A jointly sponsored bill must be introduced in the house in which the member whose name appears first on the bill is a member. The chief joint sponsor's name must appear immediately to the right of the first sponsor's name. In each session of the Legislature, bills, joint resolutions, and simple resolutions must be numbered consecutively in separate series in the order of their receipt.

(5) Any bill proposed by a legislative committee or introduced by request of an administrative or executive agency or department must be so indicated by placing after the names of the sponsors the phrase "By Request of the..... (Name of committee or agency)". The phrase may not be added to an introduced

HeinOnline -- 1997 vol. III 3525 1997

A bill draft request submitted at the request of an agency or committee prior to December 23 must be requested by an individual member by December 23 or the request is placed on hold. After December 23, an agency or committee bill must be requested by an individual member. An agency or statutory or interim committee bill request must be preintroduced or the request is canceled. Preintroduction must occur no later than 5 p.m. on the fifth working day prior to the convening of a legislative session. Preintroduction is accomplished when the Legislative Services Division receives a signed preintroduction form. The preintroduction requirement does not apply to an office held by an elected official during the official's first year in that office.

(6) Bills may be preintroduced, numbered, and reproduced prior to a legislative session by the staff of the Legislative Services Division. Actual signatures of persons entitled to serve as members in the ensuing session may appear on the face of the preintroduced bill, or signatures may be obtained on a consent form from the Legislative Services Division and the sponsor's name printed on the bill. Additional sponsors may be added on motion of the chief sponsor at any time prior to a standing committee report on the bill. These names will be forwarded to the Legislative Services Division to be included on the face of the bill following standing committee approval.

**40-65. Appropriation required for bills requesting interim studies.** A bill including a request for an interim study may not be transmitted to the Governor unless the bill contains an appropriation sufficient to conduct the study. A fiscal note may be requested for a bill requesting an interim study if the appropriation does not appear to be sufficient.

**40-70. Bills with same purpose — vetoes.** (1) A bill may not be introduced or received in a house after that house, during that session, has finally rejected a bill designed to accomplish the same purpose, except with the approval of the Rules Committee of the house in which the bill is offered for introduction or reception.

(2) Failure to override a veto does not constitute final rejection.

**40-80. Reproduction of full statute required.** A statute may not be amended or its provisions extended by reference to its title only, but the statute section that is amended or extended must be reproduced or published at length.

HeinOnline -- 1997 vol. III 3527 1997

**40-90. Bills — original purpose.** A law may not be passed except by bill. A bill may not be so altered or amended on its passage through either house as to change its original purpose (Montana Constitution, Art. V, Sec. 11(1)).

The Legislative Services Division staff shall indicate at the top of each hill prepared for introduction that a fiscal note may be necessary under this rule. Fiscal notes must be requested by the presiding officer of either house, who, at the time of introduction or after adoption of substantive amendments to an introduced bill, shall determine the need for the note, based on the Legislative Services Division staff recommendation.

(2) Unless the chief sponsor directs otherwise, the Legislative Services Division shall make available an electronic copy of any bill for which it has been determined a fiscal note may be necessary to the Budget Director immediately after the bill has been prepared for introduction and delivered to the requesting member. The Budget Director may proceed with the preparation of a fiscal note in anticipation of a subsequent formal request. A bill with financial implications for a local government or school district must comply with subsection (4).

(3) The Budget Director, in cooperation with the governmental entity or entities affected by the bill, is responsible for the preparation of the fiscal note. Except as provided in subsection (4), the Budget Director shall return the fiscal note within 6 days unless further time is granted by the presiding officer or committee making the request, based upon a written statement from the Budget Director tbat additional time is necessary to properly prepare the note.

(4) (a) A bill that may require a local government or school district to perform an activity or provide a service or facility that requires the direct expenditure of additional funds without a specific means to finance the activity, service, or facility in violation of section 1-2-112 or 1-2-113, MCA, must be accompanied, at the time that the bill is presented for introduction, by an estimate of all direct and indirect fiscal impacts on the local government or school district. The estimate of the fiscal impacts must be prepared by the Budget Director in cooperation with a local government or school district affected by the bill.

(b) The Budget Director has 8 days to prepare the estimate unless further time is granted by the presiding officer, based upon a written statement from the Budget Director that additional time is necessary to properly prepare the estimate. (5) A completed fiscal note must be submitted by the Budget Director to the presiding officer who requested it. The presiding officer shall notify the bill's chief sponsor of the completed fiscal note and request tbe chief spensor's signature. After the legislative day has elapsed, all fiscal notes must be reproduced and placed on the members' desks, either with or without the chief sponsor's signature.

HeinOnline -- 1997 vol. III 3528 1997

(6) A fiscal note must, if possible, show in dollar amounts:

(a) the estimated increase or decrease in revenues or expenditures;

(b) costs that may be absorbed without additional funds; and

(c) long-range financial implications.

(7) The fiscal note may not include any comment or opinion relative to merits of the bill. However, technical or mechanical defects in the bill may be noted.

(c) tbe chief sponsor.

(9) The Budget Director shall make available on request to any member of the Legislature all background information used in developing a fiscal note.

(2) The presiding officer may grant additional time to the sponsor for preparation of the sponsor's fiscal note.

(3) Upon receipt of the completed sponsor's fiscal note, the presiding officer shall refer it to the committee hearing the bill. If the bill is printed, the note must be identified as a sponsor's fiscal note, reproduced, and placed on the members' desks.

(4) The Legislative Services Division shall provide forms for preparation of sponsors' fiscal notes and shall print the completed sponsors' fiscal notes on a different color paper than the fiscal notes prepared by the Budget Director.

**40-120. Substitute bills.** (1) A committee may recommend that every clause in a bill be changed and that entirely new material be substituted so long as the new material is relevant to the title and subject of the original bill. The substitute bill is considered an amendment and not a new bill.

(2) The proper form of reporting a substitute bill by a committee is to propose amendments to strike out all of the material following the enacting clause, to substitute the new material, and to recommend any necessary changes in the title of the bill.

(3) If a committee report is adopted that recommends a substitute for a bill originating in the other house, the suhstitute bill must be printed and reproduced.

HeinOnline -- 1997 vol. III 3529 1997

(2) If a bill has been returned from a committee without amendments, only the first sheet must be reproduced on yellow paper, and the remainder of the text may be incorporated by reference to the preceding version of the entire bill.

**40-150. Engrossing.** (1) When a bill has been reported favorably by Committee of the Whole of the house in which it originated and the report has been adopted, the bill must be engrossed. Committee of the Whole amendments must be included in the engrossed bill. The bill must be placed on the calendar for third reading on the legislative day after receipt.

(2) Copies of the engrossed bill to be distributed to members are reproduced on blue paper. Only the first sheet must be reproduced on blue paper, with the remainder of the text incorporated by reference to the preceding version of the entire bill.

(3) If a bill is amended by a standing committee in the second house, the amendments must be included in a tan-colored bill and distributed in the second house for second reading consideration. If the bill is amended in Committee of the Whole, the amendments must be included in a salmon-colored reference bill and distributed in the second house for third reading. If the bill passes on third reading, copies of the reference bill must be distributed in the original house. The original house may request from the second house a specifiod number of copies of the amendments to be printed.

**40-160. Enrolling.** (1) When a bill has passed both houses, it must be enrolled. An original and two duplicate printed copies of the bill must be enrolled, free from all errors, with a margin of two inches at the top and one inch on each side. In sections amending existing statutes, new matter must be underlined and deleted matter must be shown as stricken.

The fact of signing must be announced by the presiding officer and entered upon the journal no later than the next legislative day. At any time after the report of a bill correctly enrolled and before the signing, if a member signifies a desire to examine the bill, the member must be permitted to do so. The bill then must be transmitted to the other house where the same procedure must be followed.

HeinOnline -- 1997 vol. III 3530 1997

**70-10. Definition.** (1) For the purpose of compliance with the Legislative History Act (Title 5, chapter 4, part 4, MCA), a statement of legislative intent regarding a bill must express the common understanding of those components of the Legislature voting on the bill.

(2) This statement differs from a purpose clause, which is used in general to describe the broad overall objectives of a bill. A statement of intent is used to guide the details of interpretation by those charged with implementation of the bill and is phrased in terms of contingencies, examples, or other matter inappropriate for expression as statutory language.

**70-20. Limitation.** A statement of intent may not accompany any bill that does not statutorily require one unless a committee (standing committee, Committee of the Whole, or conference committee) agrees by a two-thirds vote to attach the statement.

**70-30. Statement of intent to accompany bill — when — how.** A statement of intent must accompany a bill as follows:

(1) A statement of intent is required for a bill delegating new rulemaking or licensing authority.

(2) A statement of intent must be included with the introduced bill for a bill requiring one. If a bill is found to require a statement of intent at any time in the legislative process, a statement of intent may be added under the procedure for amending a bill.

(3) A statement of intent must be included as a part of the bill between the title and the enacting clause under tbe heading "Statement of Intent".

HeinOnline -- 1997 vol. III 3539 1997

WHEREAS, the benefits to the nation and the states from the Federal-Aid Highway Program investments include:

(1) improved mobility to support our economy and our competitive international position;

(2) access to the nation's agricultural production, its manufactured goods, and its national parks and monuments;

(3) access and mobility for our national and civil defense forces; and

(4) social progress and quality of life for our citizens; and

WHEREAS, the Federal Highway Trust Fund could substantially increase investments in highway infrastructure without any increase in fees te the users of the highway system; and

WHEREAS to continue the benefits of transportation and highway infrastructure investments, the Federal Surface Transportation Program must be reauthorized by the United States Congress before the program expires on Octoher 1, 1997.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

That the United States Congress is urged to act promptly to reauthorize the Federal Surface Transportation Program and that this reauthorization should include:

(4) regulatory reduction and program streamlining to improve the timeliness and cost-effectiveness of highway project delivery; and

(5) respect for the uniqueness of each state's approach to managing its transportation system. Solutions in small, densely populated eastern states may not make sense in the west. One size does not fit all, so the federal government should refrain from mandating solutions.

HeinOnline -- 1997 vol. III 3555 1997

(a) express desire, opinion, sympathy, or request of the Legislature;

(b) request an interim study by a legislative subcommittee;

(c) adopt or amend the joint rules;

**S40-20. Introduction.** (1) Upon receiving a bill or resolution in duplicate from a Senator, the Secretary of the Senate shall assign an appropriate sequential number, which constitutes introduction of the legislation.

(2) Bills and resolutions may be preintroduced, assigned to committee, and printed prior to the legislative session. The Legislative Services Division shall be responsible for ensuring the preintroduction intent from each Senator and presenting such legislation to the Secretary of the Senate.

(3) Upon referral to committee, the Secretary of the Senate shall publicly post a listing of the bill or resolution by a summary of its title, together with a notation of the committee to which it has been assigned.

**S40-30. Additional sponsors.** (1) Additional sponsors may be added on motion of the chief sponsor at any time prior to a standing committee report on the bill or resolution. Forms for adding sponsors will be supplied on request by the Secretary of the Senate.

(2) Upon passage of the motion, the names of the additional sponsors will be printed in the journal and the form containing the signatures of the additional sponsors will be forwarded to the Legislative Services Division with the original bill for the inclusion of the names in subsequent printings of the bill or resolution.

**S40-40. Reading limitations.** (1) Except for consent calendar bills, every bill shall be read three times prior to passage, either by title or by summary of title as provided in these rules.

HeinOnline -- 1997 vol. III 3556 1997

(2) Any vote in the Senate on a bill proposing an amendment to the Montana Constitution under circumstances in which there exists the mathematical possibility of obtaining the necessary two-thirds vote of the Legislature will cause the bill to progress as though it had received the majority vote.

(3) If a bill has been amended in the House of Representatives and the amendments are accepted by the Senate, the bill shall again be placed on third reading in the Senate to determine if the required number of votes has been cast.

**S40-60. Scheduling for second reading.** (1) All bills and resolutions, except those recommended for the consent calendar, that have been reported by a committee, accepted by the Senate, and reproduced shall be scheduled for consideration by Committee of the Whole.

(3) Legislation shall be arranged on the agenda in numerical order unless bills are grouped as companion bills or are placed in order otherwise by the Senate or Committee of the Whole.

**S40-70. Consent calendar procedure.** (1) Legislation reported by committee for placement on the consent calendar shall be sent to be processed and reproduced as a third reading version and specifically marked as a "consent calendar" item.

(2) Legislation shall be immediately posted (as soon as it is received as a third reading version) on the consent calendar and must remain there for 1 legislative day before consideration under Order of Business No. 11, special orders of the day. At that time, the President of the Senate will announce consideration of the consent calendar and allow "reasonable time" for questions and answers upon request. No debate will be allowed.

(3) Any three Senators may submit written objections to the Secretary of the Senate, and the legislation must then be removed from the consent calendar and added to the regular second reading agenda.

(4) Consent calendar legislation must be added to the end of the third reading agenda and clearly identified as "consent calendar" and voted on individually.

(5) Consent calendar legislation passed on third reading will then be transmitted to the House of Representatives.

## CHAPTER 5

## Floor Action

(10) unfinisbed business;

To revert to or pass to a new order of husiness requires only a majority vote. Unless otherwise specified in the motion to recess, the Senate shall revert to Order of Business No. 1 when reconvening after a recess.

**S50-30. Limitations on debate.** No Senator may speak more than twice on any one motion or question without unanimous consent of the Senate, unless the Senator has introduced or proposed the motion or question under debate, in which case the Senator may speak twice and also close the debate. However, a Senator who has spoken may not speak again on the same motion or question to the exclusion of a Senator who has not spoken.

**S50-40. Procedure upon offering a motion.** (1) When a motion is offered it shall be restated by the presiding officer. If requested by the presiding officer or a Senator, it shall be reduced to writing, presented at the rostrum, and read aloud by the Secretary.

(2) A motion may be witbdrawn by the Senator offering it at any time before it is amended or voted upon.

**S50-50. Precedence of motions.** (1) When a question is under debate only the following privileged and subsidiary motions shall be made:

(a) to adjourn;

(b) for a call of the Senate;

(c) to recess;

(j) to postpone indefinitely.

(2) The motions listed in subsection (1) of this section have precedence in the order listed.

(3) A question may he indefinitely postponed by a majority roll call of all Senators present and voting. When a bill or resolution is postponed indefinitely, it is finally rejected and may not be acted upon again during the biennium except upon a motion of reconsideration.

(4) No motion or proposition on a subject different from that under consideration shall be admitted under color of amendment or substitute.

**S50-60. Nondebatable motions.** The following motions are not debatable:

(1) to adjourn;

(14) all incidental motions, such as motions relating to voting or other questions of a general procedural nature.

**S50-70. Amending motions.** No more than one amendment and no more than one substitute motion may be made to a motion. This rule permits the main motion and two modifying motions.

**S50-80. Previous question.** (1) Except as provided in subsection (2) of this rule, the effect of calling for the previous question, if adopted, is to close debate immediately, to prevent the offering of amendments or other suhsidiary motions, and to bring to vote promptly the immediately pending main question and the adhering subsidiary motions, whether on appeal or otherwise.

(2) When the previous question is ordered on any debatable question on which there has been no debate, the question may be debated for one-half hour, one-half of such time to be given to the proponents and one-half to the opponents.

HeinOnline -- 1997 vol. III 3559 1997

(3) A call of the Senate is not in order after the previous question is ordered unless it appears upon an actual count by the presiding officer that a quorum is not present.

**S50-90. Reconsideration.** (1) Any Senator may, on the day the vote was taken or on the next day the Senate is in session, move to reconsider the question.

(2) A motion to reconsider may not be withdrawn after such next legislative day without the unanimous consent of the Senate, and thereafter any Senator may call it up for consideration; however, a motion to reconsider made after the 54th day of the session shall be disposed of when made.

(3) A motion to recall a bill from the House of Representatives constitutes notice to reconsider and shall be acted on as a motion to reconsider. A motion to reconsider or to recall a bill from the House of Representatives may be made only under Order of Business No. 6 and, under that order of business, takes precedence over all motions except motions to recess or adjourn.

(4) When a motion to reconsider is laid on the table, a two-thirds majority is required to take it from the table. When a motion to reconsider fails, the question is finally and conclusively settled.

(5) If a motion to reconsider third reading action is carried, there shall be no further action until the succeeding legislative day.

**S50-100. Dividing a question.** A Senator may move to divide a question if it includes two or more propositions so distinct in substance that if one thing is taken away a substantive question will remain.

**S50-110. Conference committee reports.** When a conference committee report is filed with the Secretary of the Senate, the same shall be read under Order of Business No. 3, select committees, and placed on the calendar the succeeding legislative day for consideration on second reading. If recommended favorably by the Committee of the Whole, it may be considered on third reading the same legislative day.

**S50-120. Second reading.** (1) The Senate may resolve itself into a Committee of the Whole for consideration of business on second reading, by approval of a motion for that purpose.

(2) After a Committee of the Whole has been formed, the President shall appoint a chair to preside.

(3) All legislation considered in Committee of the Whole shall be read by a summary of its title. Proposed amendments shall be considered; then the bill shall be considered in its entirety.

(4) Prior to adoption of the Committee of the Whole report, a Senator may move to segregate legislation. If the motion prevails, the legislation remains on second reading.

(5) When a Committee of the Whole report on legislation is rejected, the legislation shall remain on second reading.

**S50-130. Committee of the Whole amendments.** (1) All Committee of the Whole amendments shall be prepared, stipulating the date and time of

(2) Each amendment, rejected or adopted, shall be printed in the journal, along with the name of the sponsor and the vote on each.

(c) recommend concurrence or nonconcurrence;

(d) indefinitely postpone;

(e) pass consideration;

(f) rise;

(g) rise and report; or

(h) rise and report progress and ask leave to sit again.

**S50-150. Committee of the Whole — generally.** (1) The committee may not appoint subcommittees.

(2) The committee may not punish its members for misconduct, but may report disorder to the Senate.

**S50-160. Voting on second reading.** (1) On Order of Business No. 8, in addition to other methods, a recorded vote may be made in the following manner: the chair may call for a voice vote to accept or reject a question. If the vote is other than unanimous, the chair may ask that the lesser number on the question indicate their vote by standing. The Secretary will then record the vote of those standing. The chair may then rule that unless excused those not standing and present have voted on the prevailing side of the question and that their vote be recorded as such. If there was a unanimous voice vote, all those present will be recorded as having voted for the question.

(2) If a motion to recommend that a bill "do pass" or "be concurred in" fails in the Committee of the Whole, the obverse, i.e., a recommendation that the bill "do not pass" or "be not concurred in", is considered to have passed. If a motion to recommend that a bill "do not pass" or "be not concurred in" fails in the Committee of the Whole, the obverse, i.e., a recommendation that the bill "do pass" or "be concurred in", is considered to have passed.

**S50-170. Third reading procedure.** (1) All legislation passing second reading shall be placed on third reading the day following the receipt of the engrossing or other appropriate printing report.

(2) On Order of Business No. 9 the Secretary shall read the title and the President shall state the question as follows: "Senate bill number (or other

HeinOnline -- 1997 vol. III 3561 1997

appropriate identification)..... having been read three several times, the question is, shall the bill (or other appropriate identification) pass the Senate?"

(3) If an electronic voting system is used, the President shall state "Those in favor vote yes and those opposed vote no" and the Secretary will sound the signal and open the board for voting. After a reasonable pause the presiding officer asks "Has every member voted?" (reasonable pause), "Does any member wish to change his or her vote?" (reasonable pause), "The Secretary will record the vote."

**S50-180. Senate voting.** (1) A roll call vote shall be taken on tbe request of two Senators, if the request occurs before the vote is taken.

(2) On a roll call vote the names of the Senators shall be called alphabetically, unless an electronic voting system is used. A Senator may not vote or change a vote after the decision is announced from the cbair. A Senator may not explain a vote until after the decision is announced from the chair.

**S50-190. Pairs.** (1) Two Senators may pair on a question that will be determined by a majority vote. On a question requiring a two-thirds vote for adoption, three Senators may pair, with two Senators for the question and one Senator ageinst. Pairing is permitted only when one of the paired Senators is excused when the vote is taken.

(2) An agreement to pair must be in writing and dated and signed by the Senators agreeing to be bound, and must specify the duration of the pair. When an agreement to pair is filed with the Secretary of the Senate, it shall bind the Senators signing until the expiration of time for which it was signed, unless the paired Senators sooner appear and ask that the agreement be canceled.

(3) Pairs in Committee of the Whole are prohibited.

**S50-200. Call of the Senate.** (1) In the absence of a quorum, a majority of Senators present may compel the attendance of absent Senators by ordering a call of the Senate.

(3) On a call of the Senate, a Senator who refuses to attend may be arrested by the Sergeant-at-Arms or any other person, as the majority of such Senators present shall direct. (4) During a call of the Senate, all business shall be suspended. After a call has been ordered, no motion is in order except a motion to adjourn or remove the call. The call may be removed by a two-thirds vote.

**S50-210. House amendments to Senate legislation.** (1) When the House has properly returned Senate legislation with House amendments, the Senate shall announce tbe amendments on Order of Business No. 5 and the President shall place them on second reading for debate. The President may rerefer Senate legislation with House amendments to a committee for a hearing if the House amendments constitute a significant change in the Senate legislation. The second reading vote is limited to consideration of the House amendments.

HeinOnline -- 1997 vol. III 3562 1997

(2) If the Senate accepts House amendments, the Senate shall place the final form of the legislation on third reading to determine if the legislation, as amended, is passed or if the required vote is obtained.

(3) If the Senate rejects the House amendments, the Senate may request the House to recede from its amendments or may direct appointment of a conference committee and request the House to appoint a like committee.

## CHAPTER 6

## HOUSE JOINT RESOLUTION NO. 2

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA ESTABLISHING AN OFFICIAL ESTIMATE OF THE STATE'S ANTICIPATED REVENUE FOR EACH YEAR OF THE 1998-99 BIENNIUM FOR THE PURPOSE OF ACHIEVING A BALANCED BUDGET AS MANDATED BY ARTICLE VIII, SECTION 9, OF THE MONTANA CONSTITUTION; ACCEPTING THE JUNE 30, 1996, GENERAL FUND BALANCE THAT WAS ESTABLISHED BASED ON GENERALLY ACCEPTED ACCOUNTING PRINCIPLES; REQUESTING THE GOVERNOR'S OFFICE OF BUDGET AND PROGRAM PLANNING TO USE THE REVENUE ESTIMATES CONTAINED IN THIS RESOLUTION AS OFFICIAL REVENUE ESTIMATES FOR FISCAL YEARS 1997-98 AND 1998-99.

WHEREAS, Article VI, section 9, of the Montana Constitution requires the Governor to submit to the Legislature a budget for the ensuing fiscal period, containing in detail for all operating funds the proposed expenditures and estimated revenue of the state; and

WHEREAS, Article VIII, section 9, of the Montana Constitution prohibits the Legislature from appropriating funds in excess of the anticipated revenue of the state; and

WHEREAS, section 5-18-107(5), MCA, requires the Revenue Oversight Committee to estimate the amount of revenue projected to be available for legislative appropriation and to introduce legislation setting forth the Committee's current revenue estimate for the biennium; and

WHEREAS, section 5-12-302(7), MCA, requires the Legislative Fiscal Analyst to assist the Revenue Oversight Committee in its revenue estimating duties; and

WHEREAS, because of the complexity of the myriad variables involved in revenue forecasting and the diversity of sources from which state revenue is obtained, it is increasingly difficult to project revenue in order to prepare a balanced budget for the ensuing biennium; and

WHEREAS, the revenue estimates contained in this resolution provide the basis for a comprehensive analysis of the state's financial condition; and

WHEREAS, it is in the best interests of the state that revenue forecasts be discussed and arrived at in public hearings at which all interested parties may attend and participate.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

HeinOnline -- 1997 vol. III 3594 1997

BE IT FURTHER RESOLVED, that the Legislature accept for budget purposes the unreserved fund balance of $30,145,000 for the general fund, prepared according to generally accepted accounting principles as published in the audited state financial statements as of June 30, 1996.

BE IT FURTHER RESOLVED, that the Governor's Office of Budget and Program Planning use the revenue estimates (and the underlying assumptions) contained in this resolution as the official revenue estimates for fiscal years 1997-98 and 1998-99.

INTEGRATED DISPUTE SETTLEMENT PROCESS FOR EMPLOYMENT-RELATED ISSUES.

WHEREAS, most private sector employers in Montana have 10 or fewer employees and do not maintain personnel officers or in-house legal staff; and

WHEREAS, Montana's employment statutes constitute a complex body of law that often necessitates the application of specialized skills and knowledge; and

WHEREAS, employment-related disputes are currently heard in many different forums, such as the Board of Personnel Appeals for wage and hour issues, the Board of Labor Appeals for unemployment insurance issues, the Workers' Compensation Court for workers' compensation issues, the Human Rights Commission for discrimination issues, and District Courts for the resolution of wrongful discharge conflicts; and

WHEREAS, the same set of facts are often salient in more than one dispute resolution forum at the same time; and

WHEREAS, litigation in multiple forums costs time and money to employers and employees alike; and

WHEREAS, it may be both advantageous and efficient to allow a single, integrated process to assist in the resolution of employment-related disputes.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

That the Department of Labor and Industry:

(1) explore, investigate, and report to the 56th Legislature optional approaches to an integrated dispute resolution process for employment-related issues; and

## HOUSE JOINT RESOLUTION NO. 12

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA URGING CONGRESS TO ENACT LEGISLATION TO ALLOW DISABLED MILITARY RETIREES CONCURRENT RECEIPT OF FULL LONGEVITY RETIREMENT BENEFITS AND SERVICE-CONNECTED DISABILITY COMPENSATION.

WHEREAS, thousands of American military personnel have dedicated their careers to protect the rights that we all enjoy; and

WHEREAS, military personnel endure hardships, privation, the threat of disability and death, and long separation from their families in service to their country; and

HeinOnline -- 1997 vol. III 3603 1997

WHEREAS, career military personnel earn retirement benefits based on their respective number of years of service and rank at retirement; and

WHEREAS, service-connected disability compensation serves a different purpose from longevity retirement pay and is intended to compensate for pain, suffering, disfigurement, and impaired earning ability because of the disability; and

WHEREAS, retired, disabled military personnel endure a reduction in longevity retirement pay for any service-connected disability compensation that they receive; and

WHEREAS, the offset of retirement benefits by service-connected disability compensation presents an economic hardship to disabled military retirees, often reducing them to a poverty-level existence; and

WHEREAS, similarly situated federal civil service retirees do not face a reduction in civil service retirement benefits if they receive compensation for a service-connected disability; and

WHEREAS, it is fundamentally unfair to require disabled military retirees essentially to fund their own disability compensation.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

That the Montana Legislature, on behalf of all Montanans, urge Congress to enact legislation to eliminate this inequity and to allow disabled military retirees concurrent receipt of full longevity retirement benefits and service-connected disability compensation.

BE IT FURTHER RESOLVED, that the Secretary of Stato transmit a copy of this resolution to the President of the United States, the Speaker of the U.S. House of Representatives, the Majority Leader of the U.S. Senate, and the members of Montana's Congressional Delegation.

## HOUSE JOINT RESOLUTION NO. 13

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA URGING CONGRESS TO AMEND PRESIDENT CLINTON'S UNILATERAL ACTION IN DESIGNATING THE GRAND STAIRCASE—ESCALANTE NATIONAL MONUMENT; URGING CONGRESS TO REQUIRE NEGOTIATION WITH THE STATES AND A STRONGER CONSIDERATION OF THE SOCIAL AND ECONOMIC CONSEQUENCES IN THE DESIGNATION OF NATIONAL MONUMENTS AND WILDERNESS AREAS; AND REQUIRING THE SECRETARY OF STATE TO TRANSMIT COPIES OF THE GRAND STAIRCASE—ESCALANTE NATIONAL MONUMENT RESOLUTION.

WHEREAS, on September 18, 1996, President Clinton declared 1.7 million acres in southern Utah as the Grand Staircase—Escalante National Monument; and

HeinOnline -- 1997 vol. III 3604 1997

WHEREAS, the President abused the purpose of the 90-year-old Antiquities Act of 1906, which allows the President to act without Congressional approval, by significantly overreaching in the number of acres designated; and

WHEREAS, the President ignored repeated requests to work through the legislative processes already in place under the National Environmental Policy Act of 1969 and the Federal Land Policy and Management Act of 1976 to determine areas appropriate for designation as wilderness and national areas and national monuments; and

WHEREAS, the President ignored repeated requests from Utah's leaders to negotiate a compromise; and

WHEREAS, the President failed to adequately consider the social implications of national monument designation, including the fact that 200,000 acres of Utah's school trust lands lie within the designated areas and will be rendered useless, resulting in a potential loss of billions of dollars for the education of Utah's schoolchildren; and

WHEREAS, the President failed to consider the social implications of substantial numbers of citizens being displaced from their homes, places of employment, and way of life as a result of the loss of economic development that will follow the designation; and

WHEREAS, the President failed to adequately consider the economic implications of national monument designation, including the potential tax revenue loss to the federal and state governments and to the school trust fund of billions of dollars from mineral and petroleum exploration and development and related jobs; and

WHEREAS, the President failed to adequately consider the environmental implications of national monument designation, such as that the 62 billion tons of coal deposits in the Kaiparowits Coal Basin are an extremely efficient, low-sulfur, clean-burning coal and that given the vast reserves of clean-burning coal available, it is not environmentally or economically sound to continue to "waste" clean-burning coal reserves; and

WHEREAS, to ignore large, domestic deposits of our cleanest-burning coal only increases our dependence on foreign energy sources and reduces our energy and national security; and

WHEREAS, the President failed to consider alternative plans that would result in a more sound environmental protection policy; and

WHEREAS, the declaration of nearly 2 million acres as a national monument does nothing to preserve a wilderness area; instead, the area will likely become clogged with roads and tourist buses; and

WHEREAS, an alternative proposal would allow 350,000 acres to be designated as true "wilderness" areas to preserve their natural beauty, while other areas could be designated as a national monument and still others reserved for mineral activity, which makes sense socially, economically, and environmentally; and

HeinOnline -- 1997 vol. III 3605 1997

WHEREAS, the creation of the Grand Staircase—Escalante National Monument presents significant negative social, economic, and environmental consequences for not only Utah's citizens, but all Americans.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

That the State of Montana support policies that balance the social, economic, and environmental needs of people and communities with the needs of environmental preservation in federal decisionmaking processes.

BE IT FURTHER RESOLVED, that the State of Montana urge Congress to amend the President's unilateral action to require negotiation with the states and a strongor consideration of the social and economic consequences, including takings, in whole or in part, in the designation of national monuments and wilderness areas.

BE IT FURTHER RESOLVED, that this resolution be referred to as the Grand Staircase—Escalante National Monument Resolution.

BE IT FURTHER RESOLVED, that the Secretary of State transmit a copy of this resolution to the President of the United States, the Speaker of the United States House of Representatives, the President Pro Tempore of the United States Senate, the Governor of the State of Utah, the Council of State Governments-West, and to each member of Montana's Congressional Delegation and state Legislature.

WHEREAS, the 10th amendment to the United States Constitution states, "The powers not delegated to the United States by the constitution, nor prohibited by it to the states, are reserved to the states respectively, or to the people"; and

WHEREAS, the number of federal mandates imposed upon the states hy the United States Congress has increased alarmingly in recent years; and

WHEREAS, the members of the Legislature of Montana desire to personally protect state sovereignty from federal encroachment as well as communicate with the Montana delegation to the United States Congress concerning this critical problem so that Montana's representatives may be completely cognizant of the effect that the actions of the federal government have at the state legislative level and may be more sensitive to federal usurpation of state authority.

HeinOnline -- 1997 vol. III 3606 1997

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA URGING CONGRESS TO REAFFIRM ITS POWER OVER INTERNATIONAL AGREEMENTS THAT CONCERN THE USE AND MANAGEMENT OF LAND AND RESOURCES BELONGING TO THE UNITED STATES, THE INDIVIDUAL STATES, AND THE PEOPLE.

WHEREAS, the federal government is the sole negotiater of treaties and international agreements for the United States; and

WHEREAS, the federal government has signed various agreements with foreign countries and other international organizations; and

WHEREAS, many of these treaties and agreements may potentially jeopardize the sovereign right of the people of the United States to regulate domestic decisions regarding the use of public lands, environmental protection, and natural resources; and

WHEREAS, some federal and international proposals conflict with private property rights; and

WHEREAS, the western states depend on the reasonable multiple use of public and private land to sustain their economies and the livelihood of their citizens; and

WHEREAS, prohibiting specific uses on nonfederal lands could cause significant negative impact on the value of nonfederal property and on local economies; and

WHEREAS, the power to plan or zone private land is a power reserved to the sovereign states and to the people of the states; and

WHEREAS, the enormity of some of the proposed plans, such as the Rocky Mountain Heritage Corridor and the Mississippi River Valley Heritage Corridor, demonstrates an excessive federal involvement.

HeinOnline -- 1997 vol. III 3616 1997

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

That this body request our Congressional Delegation to aggressively work to reaffirm the power of Congress under Article IV of the United States Constitution over international agreements that concern the use and management of land and resources belonging to the United States, the individual states, and the people.

BE IT FURTHER RESOLVED, that we oppose all programs, such as world heritage areas, biosphere reserves, and the American heritage areas, that usurp the sovereign rights of the people of the United States and the State of Montana.

BE IT FURTHER RESOLVED, that we request Congress to fulfill its obligation to the nation by carefully reading all documents that pertain to treaties and agreements and by fully examining and debating the issues that arise from changing the use of lands owned by the United States.

# HOUSE JOINT RESOLUTION NO. 26

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA URGING CONGRESS TO SUBMIT TO THE STATES FOR RATIFICATION A BALANCED BUDGET AMENDMENT TO THE UNITED STATES CONSTITUTION.

WHEREAS, with each passing year this nation becomes deeper in debt as federal government expenditures repeatedly exceed available revenue, so that the federal public debt is now approximately $4.9 trillion, or $19,000 for each man, woman, and child; and

WHEREAS, the annual federal budget has not been balanced since 1969, demonstrating an unwillingness or inability of both the Legislative and Executive branches of federal government; and

WHEREAS, knowledgeable planning, fiscal prudence, and plain geod sense require that the federal budget should not be manipulated to present the appearance of being in balance while, in fact, federal indebtedness continues to grow; and

WHEREAS, believing that fiscal irresponsibility at the federal level, resulting in a lower standard of living and endangering economic opportunity now and for the next generation, is the greatest threat that faces our nation; and

WHEREAS, Thomas Jefferson recognized the importance of a balanced budget when he wrote, "The question whether one generation has the right to bind another by the deficit it imposes is a question of such consequence as to place it among the fundamental principles of government. We should consider ourselves unauthorized to saddle posterity with our debts, and morally bound to pay them ourselves"; and

WHEREAS, the principal functions of the United States Constitution include promoting the broadest principles of a gevernment of, by, and for the people; setting forth the most fundamental responsibilities of government; and

HeinOnline -- 1997 vol. III 3617 1997

enumerating and limiting the powers of the government to protect the basic rights of the people; and

WHEREAS, the federal government's unlimited ability to borrow involves decisions of such magnitude, with such potentially profound consequences for the nation and its people, today and in the future, that it is an appropriate subject for limitation by the United States Constitution; and

WHEREAS, the United States Constitution vests the ultimate responsibility to approve or disapprove of amendments to the United States Constitution with the people of the several states, as represented by their elected legislatures; and

WHEREAS, opposition by a small minority within Congress and, on occasion, by the President has repeatedly thwarted the will of the people of the United States that a balanced budget amendment to the United States Constitution should be submitted to the states for ratification while large majorities of both houses of Congress already have prepared, considered, and voted for an amendment.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

That the Legislature of the State of Montana requests the members of the Congress of the United States to expeditiously pass, and to propose to the legislatures of the several states for ratification, an amendment to the United States Constitution requiring, in the absence of a national emergency, that the total of all federal appropriations made by the Congress for any fiscal year not exceed the total of all estimated federal revenue for that fiscal year; and

BE IT FURTHER RESOLVED, that the legislatures of each of the several states comprising the United States be urged to apply to the Congress requesting the proposal for ratification of a balanced budget amendment to the United States Constitution; and

BE IT FURTHER RESOLVED, that the Secretary of State send copies of this resolution to the President of the United States Senate, the Speaker of the United States House of Representatives, the members of Montana's Congressional delegation, and the presiding officers of each house of the legislatures of each of the other states.

WHEREAS, agriculture is Montana's largest industry, and beef livestock is Montana's largest cash crop; and

WHEREAS, bison in Yellowstone National Park are the responsibility of the federal government; and

WHEREAS, the Montana livestock industry has spent $30 million to eradicate brucellosis in Montana and to obtain a brucellosis-free status and, after a 40-year industry battle to eradicate brucellosis nationwide, the Legislature is alarmed that the federal government has abdicated its responsibility to combat the disease in a herd owned by the people of the United States; and

WHEREAS, numbers of park bison have grown beyond the natural carrying capacity of Yellowstone National Park; and

WHEREAS, overgrazing inside Yellowstone National Park has resulted in increased winter migration of bison into Montana; and

WHEREAS, the federal government has stated that if infected bison enter the state, Montana stands to lose its brucellosis-free status; and

WHEREAS, the federal government is exposing the citizens of Montana and their livestock to brucellosis infection by its failure to adequately manage diseased bison in Yellowstone National Park; and

WHEREAS, the only proposals presented to the Governor by the federal agencies have been inadequate to resolve the problem, and the Legislature has grave doubts about the intent, purpose, and implications of previously prepared federal proposals.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

That the federal government be actively responsible for bison management within the boundaries of Yellowstone National Park and that whatever management program the federal government adopts does not expose the citizens of Montana or their livestock to brucellosis infection.

BE IT FURTHER RESOLVED, that the Legislature supports the Governor's efforts to address the problem and urges the Governor not to relent in his demand that the President of the United States require a federal solution to protect America's bison in a responsible manner that will not harm the health or property of the citizens of Montana.

## CHAPTER 4

### Legislation

**H40-10. Introduction deadlines.** (1) Except as provided in subsection (2), if a representative accepts drafted legislation from the Legislative Services Division after the deadline for introduction, the representative may not introduce that legislation after 48 hours from the time the bill was accepted from the Legislative Services Division.

(2) No bill or resolution may be introduced any later than 5 p.m. 5 legislative days prior to the appropriate transmittal deadline.

**H40-20. House resolutions.** (1) A House resolution is used to adopt or amend House rules, make recommendations on the districting and apportionment plan (Montana Constitution, Art. V, Sec. 14), express the sentiment of the House, or assist House operations.

(2) As to drafting, introduction, and referral, a House resolution is treated as a bill. A House resolution may be requested and introduced at any time. Final passage of a House resolution is determined by the Committee of the Whole report. A House resolution does not progress to third reading.

(3) The Chief Clerk shall transmit a copy of each passed House resolution to the Senate and the Secretary of State.

**H40-30. Cosponsors.** (1) Prior to submitting legislation to the Chief Clerk for introduction, the chief sponsor may add representatives and senators as cosponsors by having them sign the copies.

(2) After legislation is submitted for introduction but before the legislation returns from the first House committee, the chief sponsor may add or remove cosponsors by filing a cosponsor form with the Chief Clerk. This filing must be noted by the Chief Clerk for the record on Order of Business No. 11.

**H40-40. Introduction — receipt.** (1) During a session, proposed House legislation may be introduced in the House by submitting it in duplicate, endorsed with the signature of a representative as chief sponsor, to the Chief Clerk for introduction. In each session of the Legislature, the proposed legislation must be numbered consecutively by type in the order of receipt. Submission and numbering of properly endorsed legislation constitutes introduction.

(2) Preintroduction of legislation prior to a session under provisions of the joint rules constitutes introduction in the House.

(3) Acknowledgment by the Chief Clerk of receipt of legislation or other matters transmitted from the Senate for consideration by the House constitutes introduction of the Senate legislation in the House or receipt by the House for purposes of applying time limits contained in the House rules. All legislation may be referred to a committee prior to being read across the rostrum as provided in H40-50.

HeinOnline -- 1997 vol. III 3634 1997

(4) Acknowledgment by the Chief Clerk of receipt of messages from the Senate or other elected officials constitutes receipt by the House for purposes of any applicable time limit. Senate legislation or messages received from the Senate or elected officials are subject to all other rules.

**H40-50. First reading.** Legislation properly introduced or received in the House must be announced across the rostrum and public notice provided. This announcement constitutes first reading, and no debate or motion is in order except that a representative may question adherence to rules. Acknowledgment by the Chief Clerk of receipt of legislation transmitted from the Senate commences the time limit for consideration of the legislation. All legislation received hy tlie House may be referred to a committee prior to being read across the rostrum.

**H40-60. One reading per day.** Except on the final legislative day, legislation may receive no more tban one reading per legislative day. On the final legislative day, legislation may receive more than one reading.

**H40-70. Referral.** (1) The Speaker shall refer to a House committee all properly introduced House legislation and transmitted Senate legislation.

(2) Legislation may not receive final passage and approval unless it has been referred to a House committee.

**H40-80. Rereferral.** (1) Except as provided in subsection (2), legislation that is in the possession of the House and that has not been finally disposed of may be rereferred to a House committee by House motion approved by not less tban three-fifths of the members present and voting.

**H40-90. Legislation withdrawn from committee.** Legislation may be witbdrawn from a House committee by House motion approved by not less than three-fifths of the members present and voting.

**H40-100. Standing committee reports.** (1) A House standing committee recommendation of "do pass" or "be concurred in" must be announced across the rostrum and, if there is no objection to form, is considered adopted.

(2) A recommendation of "do not pass" or "be not concurred in" must be announced across tbe rostrum and, on the following legislative day, may be debated and adopted or rejected on Order of Business No. 2. A motion to reject an adverse committee report must be approved by not less than three-fifths of tlie members voting. Failure to adopt a motion to reject an adverse committee report constitutes adoption of the report.

(3) If the House rejects an adverse committee report, the bill progresses to second reading, as scheduled by the Speaker, witb any amendments recommended by the committee.

**H40-110. Consent calendar procedure.** (1) Noncontroversial bills and simple and joint resolutions may be recommended for the consent calendar by a standing committee and processed according to the following provisions:

HeinOnline -- 1997 vol. III 3635 1997

(a) To be eligible for the consent calendar, the legislation must receive a unanimous vote by the members of the standing committee in attendance (do pass, do pass as amended). In addition, a motion must be made and passed unanimously to place the legislation on the consent calendar and this action reflected in the committee report. Appropriation or revenue bills may not be recommended for the consent calendar.

(b) The legislation must then be sent to be processed and reproduced as a third reading version and specifically marked as a "consent calendar" item.

(2) Other legislation may he placed on the consent calendar by agreement hetween the Speaker and the minority leader following a positive recommendation by a standing committee. The legislation must be sent to be processed as a second reading version but must be specifically announced and posted as a "consent calendar" item.

(3) Legislation must be posted immediately (as soon as it is received appropriately printed) on the consent calendar and must remain there for 1 legislative day hefore consideration under Order of Business No. 11, special orders of the day. At that time, the presiding officer shall announce consideration of the consent calendar and allow "reasonable time" for questions and answers upon request. No debate is allowed.

(4) If any representative suhmits a written objection to the placement of legislation on the consent calendar, the legislation must be removed from the consent calendar and added to the regular second reading board.

(5) Consent calendar legislation will be considered on Order of Business No. 8, third reading of bills, following the regular third reading agenda, as separately noted on the agenda.

(6) Legislation on the consent calendar must be considered individually with the roll call vote spread on the journal as the final vote in the House.

(7) Legislation passed on the consent calendar must then be transmitted to the Senate. Legislation must be appropriately printed prior to transmittal.

**H40-120. Legislation requiring other than a majority vote.** Legislation that requires other than a majority vote for final passage needs only a majority vote for any action that is taken prior to third reading and that normally requires a majority vote.

**H40-130. Amending House second and third reading agendas.** (1) A majority of representatives present may rearrange or remove legislation from either the second or third reading agenda on that legislative day.

(2) Legislation may be added to the second or third reading agenda on that legislative day on a motion approved by not less than three-fifths of the members present and voting.

**H40-140. Second reading.** (1) Legislation returned from committee may be placed on second reading unless otherwise ordered by the House.

(2) The House shall form itself into a Committee of the Whole to consider business on second reading. The Committee of the Whole may debate legislation, attach amendments, and recommend approval or disapproval of legislation.

HeinOnline -- 1997 vol. III 3636 1997

(3) Except on the final legislative day, at least 1 legislative day must elapse between the time legislation is reported from committee and the time it is considered on second reading.

(4) If a motion to recommend that a bill "do pass" or "be concurred in" fails in the Committee of the Whole, the obverse, i.e., a recommendation that the bill "do not pass" or "be not concurred in", is considered to have passed. If a motion to recommend that a bill "do not pass" or "be not concurred in" fails in the Committee of the Whole, except on a tie vote, the obverse, i.e., a recommendation that the bill "do pass" or "be concurred in", is considered to have passed.

(5) An amendment attached to legislation by the Committee of the Whole remains unless removed by further legislative action.

(6) When the Committee of the Whole reports to the House, the House shall adopt or reject the Committee of the Whole report. If the House rejects the Committee of the Whole report, the legislation remains on second reading, as amended by the Committee of the Whole, unless the House orders otherwise.

(7) A representative may move to segregate legislation from the Committee of the Whole report before the report is adopted. Segregated legislation, as amended by the Committee of the Whole, must be placed on second reading unless the House orders otherwise.

**H40-150. Amendments in the Committee of the Whole.** (1) All Committee of the Whole amendments must be checked by the House amendments coordinator for format, style, clarity, consistency, and other factors, in accordance with the most recent Bill Drafting Manual published by the Legislative Services Division, before the amendment may be accepted at the rostrum. The amendment form must include the date and time the amendment is submitted for that check.

(2) An amendment submitted to the rostrum for consideration by the Committee of the Whole must be marked as checked by the amendments coordinator and signed by a representative. Unless the majority leader, the minority leader, and the sponsor agree, amendments must be printed and placed on the members' desks prior to consideration.

(3) An amendment may not be proposed until the sponsor has opened on a bill.

(4) A copy of every amendment rejected by the Committee of the Whole must be kept as part of the official records.

(5) An amendment may not change the original purpose of the bill.

(g) rise, rise and report, or rise and report progress and beg leave to sit again; and

(h) to change the order in which legislation is placed on the agenda.

(2) Subsections (1)(d) through (1)(g) are nondebatable but may be amended. Once a motion under subsection (1)(b) or (1)(c) is made, a contrary motion is not in order.

(3) If a quorum of representatives is not present during second reading, the Committee of the Whole may conduct no business on legislation and a motion for a call of the House without a quorum is in order.

**H40-170. Limits on debate in the Committee of the Whole.** (1) A representative may not speak more than once on the motion and may speak for no more than 5 minutes. The representative who makes the motion may speak a second time for 5 minutes in order to close.

(2) After at least two proponents and two opponents have spoken on a question and 30 minutes have elapsed, a motion to call for cloture is in order. Approval by not less than two-thirds of the members present and voting is required to sustain a motion for cloture. Notwithstanding the passage of a motion to end debate, the sponsor of the motion on which debate was ended may close.

(3) By previous agreement of the majority leader and the minority floor leader, a bill or resolution may be allocated a predetermined amount of time for debate and number of speakers.

**H40-180. Special provisions for debate on the general appropriations bill.** (1) The Appropriations Committee chairman, in presenting the bill, is not subject to the 5-minute speaking limitation.

(2) Each appropriations subcommittee chairman shall fully present their portion of the bill. A subcommittee chairman is not subject to the 5-minute speaking limitation.

(3) After the presentation by the subcommittee chairman, the respective section of the bill is open for debate, questions, and amendments.

(4) An amendment that affects more than one section of the bill must be offered when the first section affected is considered.

(5) Following completion of the debate on each section, that section is closed and may not be reopened except by majority vote.

(6) If a member moves to reopen a section for amendment, only the amendment of that member may he entertained. Another member wishing to amend the same section shall make a separate motion to reopen the section.

(7) Debate on the motion to reopen a section is limited to the question of reopening the section. The amendment itself may not he debated at that time.

HeinOnline -- 1997 vol. III 3638 1997

This limitation does not prohibit the member from explaining the amendment to be considered.

(8) A motion for cloture is not in order during debate on the general appropriations bill.

**H40-190. Engrossing.** (1) After legislation is passed on second reading, it must be engrossed within 48 hours under the direction of the Speaker. The Speaker may grant additional time for engrossing.

**H40-200. Third reading.** (1) All bills, joint resolutions, and Senate amendments to House bills and resolutions passing second reading must be placed on third reading.

(2) Legislation on third reading may not be amended or debated.

(3) The Speaker shall state the question on legislation on third reading. If a majority of the representatives voting does not approve the legislation, it fails to pass third reading.

**H40-210. Senate legislation in the House.** Senate legislation properly transmitted to the House must be treated as House legislation.

**H40-220. Senate amendments to House legislation.** (1) When the Senate has properly returned House legislation with Senate amendments, the House shall announce the amendments on Order of Business No. 4, and the Speaker shall place them on second reading for debate. The Speaker may rerefer House legislation with Senate amendments to a committee for a hearing if the Senate amendments constitute a significant change in the House legislation. The second reading vote is limited to consideration of the Senate amendments.

(2) If the House accepts Senate amendments, the House shall place the final form of the legislation on third reading to determine if the legislation, as amended, is passed or if the required vote is obtained.

**H40-230. Conference committee reports.** (1) When a House conference committee files a report, the report must be announced under Order of Business No. 3.

HeinOnline -- 1997 vol. III 3639 1997

shall place the final form of the legislation on third reading to determine if the required vote is obtained.

(4) If the House rejects a conference committee report, the committee continues to exist unless dissolved by the Speaker or by motion. The committee may file a subsequent report.

**H40-250. Governor's amendments.** (1) When the Governor returns a bill with recommended amendments, the House shall announce the amendments under Order of Business No. 5.

(2) The House may debate and adopt or reject the Governor's recommended amendments on second reading on any legislative day.

# CONSTITUTIONAL INITIATIVE NO. 123

By Constitutional Initiative No. 123, the people propesed to allow lawsuits for civil damages against those who commit unlawful threats or intimidation, and prohibit the filing of false liens against property. This initiative would allow any individual or organization to hring a lawsuit against persons who engage in unlawful threats or intimidation that cause injury or harm. It would also prohibit the filing of "nonconsensual common-law liens," defined as claims against real or personal property that are:

not allowed by state or federal law,

not consented to by the property owner,

not imposed by a court, or

not commonly used in commercial transactions.

It would allow individuals or organizations against whose property such liens are filed to recover court costs and damages against the person who filed the lien.

Constitutional Initiative No. 123 was approved by the following vote at the General Election held Novemher 8, 1996:

☐ FOR: 200,682

☐ AGAINST: 180,295

The text of Initiative No. 123 follows:

*Be it enacted by the People of the State of Montana:*

**Section 1. Short titie.** [Sections 1 through 4] may be cited as the "Montana Anti-Intimidation Act of 1996".

**Section 2. Findings — purposc.** (1) [Sections 1 through 4] seek to address the growing problem of harassing and threatening behavior being undertaken by extremist individuals and groups in Montana. Numerous public officials and their families, voters, juries, individuals, and organizations have been targeted for intimidation and harassment by extremists. One of the principal tools of intimidation used by extremists is a false lien filed upon the property of an individual or organization.

(2) The purpose of [sections 1 tbrough 4] is to restrain these extremist activities by providing a civil remedy for anyone injured or barmed as a result of acts of intimidation, precluding the filing of false liens and establishing a procedure for removing an existing false lien.

**Section 3. Civil action.** (1) A public official, family member of a public official, juror, voter, individual or organization that is injured, harmed or otherwise aggrieved by the acts of another person in violation of 45-7-102, 45-7-209 or 45-5-203 has a civil cause of action against the person causing the harm.

HeinOnline -- 1997 vol. III 3653 1997

(2) An individual or organization who is attempting to exercise a legally protected right and who is injured, harassed or aggrieved by a threat or intimidation has a civil cause of action against the person engaging in the threatening or intimidating behavior.

(3) A conviction for violation of 45-7-102, 45-7-209 or 45-5-203 is not a condition precedent for a civil action under this section.

**Section 4. Liens.** (1) As used in this section, the following definitions apply:

(a) "Lien" means an encumbrance on property as security for the payment of a debt.

(b) "Nonconsensual common-law lien" means a lien that:

(i) is not provided for by a specific state or federal statute;

(ii) does not depend upon the consent of the owner of the property affected for its existence;

(iii) is not an equitable or constructive lien imposed by a court; and

(iv) is not of a type commonly used in legitimate commercial transactions.

(c) "Person" means an individual, group of individuals or any organization of individuals.

(2) A person may not file a nonconsensual common-law lien upon the real or personal property of an individual or organization.

(3) (a) If a nonconsensual common-law lien is filed against the real or personal property of an individual or organization, the individual or organization may petition the district court in the county in which the affected property is located to remove the nonconsensual common-law lien. If the district court determines that the lien in question is a nonconsensual common-law lien the district court shall enter an order directing the appropriate public official to remove the nonconsensual common-law lien.

(b) The legislature may provide other methods of removing nonconsensual common-law liens.

(4) The person filing the nonconsensual common-law lien is liable for the costs of removing the nonconsensual common-law lien, including reasonable attorney fees, court costs, and actual damages sustained by the aggrieved individual or organization as a result of the nonconsensual common-law lien.

**Section 5. Codification instruction.** [Sections 1 through 4] are intended to be codified as an integral part of Title 27, Chapter 1, and the provisions of Title 27, Chapter 1, apply to [sections 1 through 4].

**Section 6. Effective date — applicability.** If approved by the electorate, this act is effective January 1, 1997, and applies to nonconsensual common-law liens filed before or after January 1, 1997.

# CONSTITUTIONAL INITIATIVE NO. 125

By Constitutional Initiative No. 125, the people proposed to prohibit direct corporate spending on ballot issues, except by non-profit corporations not controlled by for-profit companies, and setting voluntary spending limits for ballot issues. Current law prohibits corporations from making direct contributions to political candidates or to political committees that support or oppose candidates or political parties. This initiative would prohibit direct corporate contributions or expenditures toward the support or defeat of ballot issues. It would allow contributions by non-profit corporations that do not: engage in business activities, allow for-profit corporations as members, or accept more than 5% of their revenue from for-profit corporations. The initiative also would set a voluntary spending limit for ballot issue committees of $150,000 per year and allow them to advertise compliance with that limit.

Constitutional Initiative No. 125 was approved by the following vote at the General Election held November 8, 1996:

☐ FOR: 201,186

☐ AGAINST: 183,114

The text of Initiative No. 125 follows:

*Be it enacted by the People of the State of Montana:*

**Section 1.** Section 13-35-227, MCA, is amended to read:

**"13-35-227. Prohibited contributions from corporations.** (1) (a) A Except as provided in subsection (4), a corporation may not make a contribution or an expenditure in connection with a candidate, a ballot issue, or a political committee which supports or opposes a candidate, a ballot issue, or a political party.

(b) For purposes of this section, "corporation" refers to for-profit and nonprofit corporations.

(2) A person, candidate, or political committee may not accept or receive a corporate contribution described in subsection (1).

(3) This section does not prohibit the establishment or administration of a separate, segregated fund to be used for making political contributions or expenditures if the fund consists only of voluntary contributions solicited from an individual who is a shareholder, employee, or a member of the corporation.

(4) The provisions of subsection (1) prohibiting corporate contributions to or expenditures in connection with a ballot issue do not apply to a nonprofit corporation formed for the purpose, among others, of promoting political ideas, and that:

(b) has no shareholders or other affiliated persons who have a private claim on the corporation's assets or earnings;

(c) does not accept foreign or domestic for-profit corporations as members; and

(d) does not accept in the aggregate more than 5% annually of its total revenue from foreign or domestic for-profit corporations.

~~(4)~~(5) A person who violates this section is subject to the civil penalty provisions of 13-37-128."

**Section 2. Voluntary spending limits.** (1) (a) Beginning January 1, 1997, the following statement may be used in printed matter and in broadcast advertisements and may appear in the voter information pamphlet prepared by the secretary of state: "According to the Office of the Commissioner of Political Practices, . . . . . is in compliance with the voluntary expenditure limits established under Montana law."

(b) The treasurer of each political committee, as defined in 13-1-101(12)(h), who files a certification on a ballot issue pursuant to 13-37-201 may also file with the commissioner a sworn statement that the committee will not exceed the voluntary expenditure limits of this section. If a sworn statement is made, it must be filed with the commissioner within 30 days of the certification of the political committee.

(c) A political committee that has not filed a sworn statement with the commissioner may not distribute any printed matter or pay for any broadcast claiming to be in compliance with the voluntary expenditure limits of this section.

(d) A political committee may not use evidence of compliance with the voluntary expenditure limits of this section to imply to the public that the committee has received endorsement or approval by the state of Montana.

(2) For the purposes of this section, the expenditures made by a political committee consist of the aggregate total of the following during a calendar year:

(a) all loans made or received by the committee;

(b) all committee expenditures made by check or cash; and

(c) the dollar value of all in-kind contributions made or received by the committee.

(3) In order to be identified as a political committee in compliance with the voluntary expenditure limits of this section, the committee's expenditures, as described in subsection (2), may not exceed $150,000.

(4) Beginning January 1, 1997, any political committee that files with the commissioner a sworn statement to abide by the voluntary expenditure limits of this section but that exceeds those limits shall pay a fine of $5,000 to the commissioner. This money must be deposited in a separate fund to be used to support the enforcement programs of the office of the commissioner.

**Section 3. Codification instruction.** Section 2 is intended to be codified as an integral part of Title 13, chapter 37, and the provisions of Title 13, chapter 37 apply to section 2.

**Section 4. Severability.** If a part of this amendment is invalid, all valid parts that are severable from the invalid part remain in effect. If a part of this Act is invalid in one or more of its applications, the part remains in effect in all valid applications that are severable from the invalid applications.
